Dear Jasper County Primary School Family,

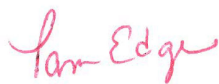

Attached you will find Jasper County Primary School's Distance Learning Plan. At this time, we are not anticipating moving to virtual instruction, but as you all know, due to the unpredictability of COVID cases or inclement weather, this may be necessary at some point during the school year and we want to be prepared. It is our goal to provide quality instruction for all of our JCPS Little CANES through virtual and in person learning, and we believe the attached plan will allow us to do so in the event of a school shutdown.

If JCPS is moved to virtual instruction, all students will have the opportunity to checkout a school Chromebook and charger for instructional use at home. If we do not have a Chromebook Contract on file for your child, your child's teacher will be sending a copy home for you to sign and return.

All students will also need a Google Meets Permission Form on file. If we move to virtual instruction at any point in the year, teachers will provide face-to-face instruction for all students through the Google Meets platform. If your child does not have a Google Meets permission form on file, your child's teacher will be sending one home for you to complete and return. These forms were sent home at the beginning of the school year in the initial paperwork packet.

While it is our hope to continue face-to-face instruction for the families who have selected in person learning for their child, we want to be prepared if we are moved to virtual instruction at any point in the school year. Please review the attached plan, and keep the document to reference later if necessary. Again, at this time, we are not planning to move to virtual instruction, however, we want to be prepared and ensure that parents are informed if virtual instruction becomes necessary! Thank you for always supporting JCPS! We love and appreciate our JCPS Family!

Pam Edge

Principal of Jasper County Primary School

# Jasper County Primary School's Distance Learning Plan

The daily schedule listed below will be followed if JCPS is moved to virtual instruction. If time permits, Chromebooks and chargers will be sent home with students prior to the implementation of virtual instruction.

If Chromebooks are not sent home with students prior to the implementation of virtual instruction, a Chromebook Distribution Day will be held before the first day of virtual instruction from 8:00am-5:00pm, at JCPS.

## Day 1- Virtual Instruction

Students will be required to complete the following online activities while teachers prepare materials for virtual instruction on the following days. The following websites should be accessed through Classlink (directions attached).

- 30 mins. i-Ready Reading
- 30 mins. i-Ready Math
- 20 mins. Reading Horizons

Each teacher will hold a class meeting through Google Meets (accessed through Classlink). Teachers will notify parents and guardians with the specific time for the class meeting. Teachers will also share the small group instruction and phonics lesson schedule for the remaining virtual instruction days.

## Day 2 & Remainder of Virtual Instruction Days

**Small Group Reading & Small Group Math Lessons-** Each teacher will send a schedule for the small group lessons. Students will log into Google Meets for small group reading instruction and small group math instruction once a day for 15-20 minutes.

- Small Groups for Reading (Teachers will schedule times.)
- Small Groups for Math (Teachers will schedule times.)

**Independent Practice-** Students will work on the following technology programs throughout the day when they are not in small group lessons with their teacher.

- 30 mins. i-Ready Reading
- 30 mins. i-Ready Math
- 20 mins. Reading Horizons

**Phonics Lesson-** Each teacher will schedule a phonics lesson. The lesson will be live with the teacher providing instruction through Google Meets. Your child's teacher will send a scheduled time for the phonics instruction.
