CHANGES to Jasper County PLU Requirements

Please note that the GaPSC (Georgia Professional Standards Commission) NO longer requires PLUs for recertification.

Therefore, the Jasper County Charter System will NO longer require 2 PLU's (Professional Learning Units) per year for each teacher and/or staff member.

UPDATED PROCEDURES

- Effective July 1, 2017 all certified personnel (teachers, administrators, media specialists, counselors, paraprofessionals & central office administrators) must complete PLGs (Professional Learning Goals) or PLP's (Professional Learning Plans) within the TLE/TKES Platform.
- School principals will evaluate how well each staff member has met goals/plans in April & May and sign-off in the TLE /TKES platform along with the staff member.
- The information from the TLE/TKES platform will be used to recertify teachers, paraprofessionals, administrators, counselors, media specialists and any other certified personnel.
