"BUILDING A TRADITION"

Athletics is an excellent way to teach a young person discipline, hard work, character, and a host of traits that we feel will make a student a well rounded person. We encourage students to participate in a variety of activities while they are in school in order to reach their full potential.

The camp will be conducted by Coach Jackson's varsity football coaching staff and player from the 2018 playoff football team.

If your child is already playing football, it will allow them to improve and refine their skills during these four days. Our staff is a tremendous group of coaches that will take the time to make your child's experience with us very enjoyable. If you have any questions about this camp, please call me at 706-468-5017.
