EMERGENCY CLOSING INFORMATION

Should school be dismissed before the end of the school day, we need to know if your child is to ride the bus, go to day care, or be picked up from school. Weather, plumbing, electrical issues or other emergencies could cause us to dismiss students early. It is important that arrangements are made in case of these unforeseen events. Sometimes our phone lines are busy so we cannot rely on last minute phone calls for directions. If the need to close early occurs, we would notify all day care centers that pick up at our school. My child will: (Check One)

- [ ] Ride his/her regular bus home
- [ ] Ride a bus to a relative, neighbor, or friend’s house (Bus # ____________)

I have read and understand the 2020-2021 Attendance Protocol section of the District Handbook. Georgia law requires that parents/guardians and students, ages 10 and older, sign a statement indicating receipt of written attendance requirements and possible consequences/penalties. If this notice is not returned to school, the school will have met its responsibility to notify you of the requirements and consequences/penalties, if after two reasonable attempts to secure signatures, the parents/guardians are sent a letter via first class mail. If you have questions regarding your school’s attendance procedures, please contact your child’s teacher or a school administrator. I have also read and understand the 2020-2021 Code of Conduct section of the District Handbook and accompanying possible consequences and penalties of the Jasper County Charter System as they pertain to students.

STUDENT INTERNET & G SUITE FOR EDUCATION ACCESS

All Jasper County Schools provide students with internet access and an account to access core services of G Suite for Education to enhance curriculum and learning opportunities. Teachers provide guidance and direction on the appropriate use of these tools. In accordance with the Child Internet Protection Act (CIPA) and other applicable federal and state laws, the district uses filters to restrict access to content that is inappropriate. To discuss how internet access and G Suite for Education will be used at your child’s school, please contact your child’s principal or teacher. Your child WILL have access unless you direct otherwise by checking the statement below.

JCHS PROCEDURES AND INFORMATION A to Z

This Student-Parent Handbook contains and describes many of the operating procedures that must be followed by all students if the school is to operate efficiently and effectively. The appropriate school personnel will interpret and enforce these procedures. To ensure that the students know what is expected of them in the daily operation of the school, this handbook is taught and reviewed during the first days of school. Students and parents will be given an acknowledgment to sign and return to school. Please assist your student in getting off to a good start by helping with this assignment.

ADDRESS/PHONE NUMBER CHANGES
It is the parent/guardian’s responsibility to inform the school of address changes and phone number changes. Changes of address/phone number forms are available in the front office. A valid ID must be presented when making any changes to student record information.

ADVANCED PLACEMENT (AP) AND ACCEL OPTION
Students receive a ten (10) point addition to each AP and PSO course’s average. Honors Classes will have 5 points added to each courses yearly average. No other courses are weighted & no other courses will have averages greater than 100.

ATHLETICS See district handbook for the District Athletic Code of Conduct.
The Athletic Department of Jasper County High School sponsors teams in several competitive sports, including baseball, basketball, cheerleading, cross-country, football, golf, track, soccer, softball, and wrestling. Participants in athletics must be eligible under State and local No Pass/No Participate Policy (see Athletic Handbook for eligibility rules).

ATTENDANCE
One of the most important ways to help a child succeed in school is to make sure that he or she attends school regularly and is on time every day. Parents are requested to work cooperatively with the school. Georgia Law (O.C.G.A. Section 20-2-690.1) requires any person in this state who has control or charge of a child between the ages of six and sixteen to enroll and send that child to school, including public, private, and home schooling. All attendance questions should be directed to the attendance clerk.

At JCHS, good attendance earns students privileges that students with poor attendance or excessive tardies may lose:
*Earning prizes and recognitions
*May run for class officer if other requirements are met (due to Fall elections for 20/21, attendance from the previous year will be used)
*May attend the Homecoming dance (no more than 5 UNEX at beginning of Homecoming week)
*Eligibility for the HC court and Mr. Hurricane pageant if other requirements are met (no more than 5 UNEX at beginning of Homecoming week)
*May attend Prom if other requirements are met (no more than 10 UNEX on ticket purchase date; no more than 20 tardies 1st OR 2nd semester)
*May park/continue to park on campus (no more than 10 UNEX absences; no more than 20 tardies during either semester)

The attendance clerk at JCHS will follow these procedures concerning absences:
1. When a student reaches three (3) unexcused absences from school, the parent will be contacted by phone and the contact will be recorded in the contact log. Every absence from school will not result in a contact by phone. Parents are encouraged to follow student attendance and grades by using the Parent Portal in Infinite Campus. We welcome any questions you may have concerning any absence from school. *A Parent Account in Infinite Campus, the student information system, can be set up by contacting the clerk in the counseling office.
2. When a student reaches five (5) unexcused absences, the parent will be contacted by phone and the contact will be recorded in the contact log. A letter including the number of unexcused absences and the consequence for excessive absences will be mailed home at this time. When a student accumulates five (5) unexcused absences, JCHS will make a referral to Student Support Services at the Board of Education. (The student loses the privilege of attending the Homecoming dance, being on the Homecoming Court, or taking part in the Mr. hurricane pageant at five unexcused absences before Homecoming week begins.)
3. When a student reaches ten (10) unexcused absences, the parent will be contacted by phone and the contact will be recorded in the contact log. A letter including the number of unexcused absences and the consequence for excessive absences will be mailed home at this time. When a student accumulates ten (10) unexcused absences, JCHS will make a referral to Student Support Services at the Board of Education. At this time, a meeting to discuss future academic options for the student will need to take place due to loss of seat time in a course(s). Any student who EXCEEDS ten (10) unexcused absences in a course may lose credit for that course. When the maximum # of unexcused absences (10) in a class is exceeded, the student loses certain privileges extended to those with satisfactory attendance. JCHS takes attendance by the class period! Attendance in reference to course credit is not taken as a full day or half day. Example: If you are absent (unexcused) first and second period and present third through seventh period, you have 9 unexcused absences remaining before you risk losing credit in first and second periods. High school students and their parents must look at attendance in this way when considering absences.
Late to School
In the event that a student is late to school, the student will report to the front office to check in. When a student arrives after school has started, the student is marked absent in any classes missed. The student is coded as “LTSP” (late to school; present) in the current class in session and is considered TARDY for that class.

Tardy to Class
A student is recorded in IC as tardy to class if not in the classroom when the late bell rings. After five (5) minutes have passed since the late bell, a student can only enter class with a pass from the front office. The student is considered to be skipping, unless documentation from office, teacher, etc. indicates otherwise.

Excessive tardies to class will result in the following disciplinary action(s):
- At five (5) tardies, a student will be assigned one day of lunch detention.
- At ten (10) tardies, a student driver may lose driving privileges for 3 days. Other students will be assigned to three days of lunch detention. Special attention will be paid to repetitive “late-to-school” tardies.
- At fifteen (15) tardies, a student driver may lose one week of driving privileges. Other students will be assigned to ISS. Special attention will be paid to repetitive “late-to-school” tardies.

If a student acquires more than 15 tardies in a semester, administration will meet with the student concerning further disciplinary actions and loss of additional privileges. These may include but are not limited to permanent revocation of a campus driving permit, restriction from attending school events, lunch detention for the remainder of the grading term, ISS assignment, OSS assignment, and placement in alternative school.

Early Release/Checking Out
IDENTIFICATION IS REQUIRED FOR ALL CHECK OUTS! Students who need to leave campus can only do so with an adult listed on their Emergency Contact List. It is the parent’s responsibility to verify that this information is current and accurate. Early check outs and late check ins without proper documentation count as absences from the classes missed and may result in the loss of credit for a course. Documentation is due within 10 days of the absence.

If a student must leave school early, that student must bring a note and a copy of the parent’s I.D. to the Attendance Clerk. The note should contain the student’s name, the reason for dismissal and the parent or guardian’s signature and phone number where the parent/guardian can be reached. Students who need to leave campus, but do not have prior approval, must have their parent or guardian personally sign them out. Again, I.D. is required for the safety of our students. Parents may fax (706-468-5021) or email notes and copies of parent I.D. to hsccheckout@jasper.k12.ga.us.

Students who check out of school and return the same day must check back into school through the attendance office. Any student who leaves campus without properly signing out and without authorization will be disciplined for skipping school. Students who check out of school sick or for any other reason that may be unexcused are not allowed to participate in after school activities. Students who are absent all day from school are not allowed to participate in extracurricular activities that day unless they have been on a field trip or have prior approval from an administrator. Those activities include but are not limited to these examples: basketball, football, band, golf, softball, remediation activities, play practices, or other activities of JCHS.

Checking In
Students who sign in late or return from a check out must report to the attendance office in order to check into school. Student rides need to pull into the upper parking area in front of the building. No more than 3 parent notes are accepted as an excused check in. All other check ins must be court or medical documentation in order to be excused. The clerk will check in the student and provide a pass to class.

Absence Justification Procedures
Parents are responsible for justifying each absence a student may have during the school year. See “Make Up Work” for options on earning credit for missed work. WRITTEN DOCUMENTATION or EMAIL: Within two days of the absence the student must bring written documentation to the Attendance Office or the parent may email this documentation to excusehs@jasper.k12.ga.us. Documentation can consist of a health care professional’s statement, a note from a parent (with a phone number for verification), a court subpoena or similar documents depending on the nature of the absence. Documents that have been altered in any way will not be accepted. Documents presented more than two school days after an absence will not be accepted. All documentation is subject to confirmation by school personnel. Documentation must have the student’s first and last name, the calendar date(s) of the absence(s), the reason/cause of the absence, the signature of the parent/health care professional and the date the document is prepared plus the parental phone number.

Extenuating Circumstances
Extenuating Circumstances are defined as chronic illness or a condition which is constantly under a doctor’s care or treatment. This illness/treatment must be the primary cause of the student’s absences. Extenuating circumstances must be established at the earliest possible time and must have the appropriate written documentation. When extenuating circumstances occur, meet with a member of the JCHS administrative staff to discuss the situation as soon as possible. The parent may decide to appeal any decision due to lack of attendance at the central office. (Refer to the Jasper County Charter System Attendance Protocol for information)
BUS AND BUS STOP See District handbook. The bus and bus stop is an extension of the JCHS campus.

CAFETERIA PROCEDURES
Lunch and breakfast are served to students daily. Students may not receive outside food “deliveries” from campus visitors for consumption in the lunchroom unless approved by administration. Students are not allowed to check out of school to go home for lunch, or to go out to lunch and return with food if they check back into school.

JCHS has two lunch periods. When the lunch bell rings, students report to the commons area and sit at the table of their choice. Students may either eat a school lunch or bring a lunch from home. All students are to remain seated in the cafeteria during their lunch period. Students are not allowed on the academic halls during lunch.

Parents can go to www.myschoolbucks.com and create an account for their children. Money can be deposited there instead of sending it to the cafeteria. Money may be deposited into each student’s account to cover daily, weekly, or monthly amounts. As students eat meals or buy other items their account balance will be subtracted from the amount of money entered into the account. A history of all meal transactions will be available.

Applications for free and reduced meals are made available to all students at the beginning of the school year and should be completed and returned promptly. Students are not permitted to charge after the due date for all lunch forms has passed. An alternate meal will be available for students in the event funds are not available to pay for lunch.

CHEATING
Students guilty of cheating may jeopardize their ability to earn academic honors while attending JCHS. This includes but is not limited to earning valedictorian and salutatorian honors. In the event that cheating is confirmed by the teacher, teachers will record a zero (0) for that assignment or exam, document the incident in Infinite Campus, and notify both the parent and administration.

CHROME BOOKS
Chromebooks are the property of the local school system. When Chromebooks are used by a student they become the student’s responsibility; he/she then has the responsibility to take care of the property. If a Chromebook is lost and/or or damaged (beyond the usual wear), restitution must be made to the school; otherwise report cards may be held.

CLASS OFFICER QUALIFICATIONS
To run for a position as class officer, students must:
- a) have a high school discipline record that has no entries which called for out of school suspension,
- b) have 5 or less* unexcused days absent from school the current year and 10 or less the previous year. (*If Fall class elections take place, students can have no more than 5 unexcused at the time of elections)
- c) and be on track to graduate.

Students will be nominated, address their class with an officer election speech, and voting will take place for each office. Class advisors will organize this process. The senior class president will become the student representative on the School Governance Team. While serving office, a student will lose that office if assigned to OSS or if assigned to ISS more than once during the school year. If removed from office, a student is not eligible to run the following year.

CLOSED CAMPUS
For the safety of all students and school personnel, JCHS operates as a closed campus. All visitors must check in at the school office. Students will not be permitted to bring friends or family as visitors. Persons found on the campus without authorization will be treated as trespassers and law enforcement personnel will be summoned.

CLUBS/ACTIVITIES
Students participating in any competitive club activities must be eligible in accordance with Georgia’s No Pass/No Participate Policy and Board of Education policy. All club activities are under the supervision and control of the school administration. Projects, field trips and other functions must be approved by the administration. Club sponsors and officers must clear club activities in advance with the appropriate administrator.

COMMUNICATION
THE FACULTY AND STAFF OF JCHS SHARES THE RESPONSIBILITY OF EDUCATING OUR STUDENTS WITH PARENTS, THE COMMUNITY, AND THE STUDENT. A record of communication between all stakeholders will be entered into the school information system. Parents are encouraged to be active in Infinite Campus and check grades and attendance regularly.

COMPUTER SYSTEM/JCCS NETWORK  See District Handbook.
CONFERENCES- SCHEDULING APPOINTMENTS
The faculty of Jasper County High School welcomes the opportunity to discuss classroom performance, behavior, or any other topic with students and parents. Conferences should be scheduled through the Guidance Department. Conferences with administrators should be scheduled with the individual administrator. Teachers and administrators may not be available for drop-in conferences. Appointments will be made at a time that is convenient for everyone involved. Appointments will not be made at a time that interferes with instructional activities. Conferences may be held before school, after school or during the teacher’s planning period.

CONFISCATED ITEMS
Inappropriate items that are confiscated by the staff of JCHS will be taken to the front office and logged into the confiscated property book. Items will be stored in a secure location on campus. Parents should contact the school to discuss the inappropriate item and, if applicable, to arrange pick-up of these items with school personnel.

COUNSELING SERVICES
The Guidance and Counseling Department offers services that are designed to help students make wholesome and realistic personal, social, vocational and educational plans and adjustments. The counselor is available for scheduled consultation with students and parents. Scheduled conferences need 24 hours of notification for both parties. Students who encounter difficulties in school or wish for assistance in their educational plans and goals are encouraged to contact the counseling for academic, personal/social, and career services. Some of the services which are offered include: class selection, scheduling and registration, post-graduate plans, military and vocational options, individual and group counseling, study skills, drug and alcohol counseling referrals, personal and family counseling referrals. Current students may request one transcript to be sent to one school free of charge. Each additional request for an official transcript will require a $1.00 fee to be paid in the counseling office. (Debit or credit is not available for these transactions)

CREDIT
JCHS Courses are awarded credit for the entire year. Successful completion of each course earns 1 unit of credit. There are exceptions which earn .5 credit including Health, Economics, Government, and Personal Fitness.

A teacher shall have the authority, consistent with board policy, to manage his or her classroom, discipline students, and refer a student to the principal or his designee to maintain discipline in the classroom. Any teacher who has knowledge that a student has exhibited behavior that violates the student code of conduct and repeatedly or substantially interferes with the teacher’s ability to communicate effectively with the students in his/her class or with the ability of such student’s classmates to learn shall submit a report (Internal Discipline Tab or Referral) of such behavior. When a teacher handles a minor discipline issue with the student, the information is recorded in the INTERNAL DISCIPLINE tab in Infinite Campus. More serious offenses or chronic discipline issues in the classroom will be referred to administration and will be recorded in Infinite Campus by the teacher. Parents will be notified of any in-school and out-of-school suspensions. Parents must accompany the student to school for an administrative conference prior to the student’s re-entry to regular classes following all parental suspensions.

DRESS CODE
JCHS respects the right of students to express individuality in the way they dress. JCHS also has the responsibility all students with an orderly and appropriate educational environment. Students are expected to show proper attention to personal cleanliness, neatness, and work place standards of dress and appearance.

All dress code requirements apply to both male and female students. Clothing and accessories SHOULD NOT:
1. Display vulgar, discriminatory, or obscene language or images.
2. Promote illegal or violent conduct.
3. Promote the use of weapons, alcohol, tobacco, or drugs.
4. Contain threats or gang symbols.

9. Include sleepwear or sleepwear accessories including blankets.
10. Include caps, hats, or head coverings worn indoors on campus.

When questionable, the school administrator will make the final determination of whether a student’s attire is in conflict with standards of dress and appearance for school. Note: Students cannot provide a “temporarily fix” for violations in order to avoid disciplinary action (i.e. taping holes in jeans, unfolding the folded band of athletic shorts to make them longer, etc). Disciplinary action to follow dress code violations: First Offense- Warning recorded in infinite campus. Sent to ISS if no change in clothes is available. Can return to class when change of clothes is provided. Students cannot provide a “temporarily fix” for blatant violations (i.e. taping holes in jeans, unfolding the folded band of athletic shorts, etc). Students will be required to change. Second offense and each thereafter - a minimum of one day ISS.
DRIVING
Students are expected to drive in a safe manner while on the campus. A student must be 16 years old and possess a valid Georgia driver’s license or be accompanied by an adult over the age of 21 when driving on campus. Students will need documentation that demonstrates they have met all requirements set forth by the DDS for obtaining a license. This includes the ADAP card and school enrollment. Required documents can be obtained in the front office with the completion of a request form and a fee of $1. Allow three business days for the preparation of these documents. This privilege can be revoked. It is dependent on satisfactory attendance (no more than 10 unexcused absences) and behavior.

DUAL ENROLLMENT
Dual Enrollment courses provide opportunities for Georgia high school students to take college-level courses and earn concurrent credit toward a high school diploma and a college degree. Participation in Dual Enrollment programs ease the transition from high school to college, provide students an early start to their college careers, and offer meaningful and challenging academic experiences to qualified students, including those who might not otherwise have access to early college opportunities. Dual Enrollment courses are primarily available for any eligible 11th or 12th grade (in some limited cases 9th-10th) high school students. They may enroll full-time or part-time in approved credit-bearing college-level courses by the State Board of Education. Courses may be taken before, during or after regular school hours, on the college campus, on-line or at the high school during the regular school calendar year.

DUE PROCESS HEARINGS See District Handbook.

ELECTRONIC DEVICES See District Handbook for additional Information.
Students are discouraged from bringing any personal property to school. Any electronic device brought on campus must remain out of sight and silenced in the classroom unless specific permission has been granted by a faculty member and/or administrator. USE IN THE CLASSROOM IS AT THE DISCRETION OF THE TEACHER. The teacher has the authority to prohibit cell phone use at any time in the classroom. Inappropriate use is addressed in the JCCS Code of Conduct. Repeated offenses involving insubordination in the classroom as well as incidents involving the posting -on or off campus- of video, photos, threats, etc. which disrupts the operation of the school will be handled very seriously. Teachers and administrators have the authority to confiscate electronic devices due to insubordination. Administrators are permitted to view content on a personal device if the content is relevant to an investigation. Parents may retrieve any electronic device taken up from a student during school hours Monday – Friday in the front office. The school is not responsible for lost or stolen property.

EMERGENCY PROCEDURES
Students, teachers and other district employees will participate in emergency drills. Drills are held to develop safety practices and promote speedy evacuation to assigned safety areas during an emergency. During an actual emergency or drill, personal safety depends on the way instructions are followed. Inappropriate student behavior during drills constitutes a violation of the code of conduct.

EXEMPTIONS-FINAL EXAMS - THERE WILL NO EXEMPTION OF EXAMS FOR THE CURRENT SCHOOL YEAR.

FIELD TRIPS
Georgia law and State Board of Education policy allow students to be excused from classroom activities for school-sponsored, off-campus activities ten (10) days per year per class. These events do not count against the student as absences provided they are part of an extracurricular program of a school organization or an extension of an instructional class. In order to attend any activity/trip planned by a teacher as an extension of an instructional class or as a club initiative (non-competition), the students attending must be passing all classes in order to attend. It is the student’s responsibility to provide this documentation to the teacher planning the trip. Teachers will provide forms to students in a timely manner to enable ALL teachers on campus to plan for the absence accordingly. Teachers will be provided with a list of students who are absent as a result of a field trip. School work missed may be due on the first day the student returns to class following the activity if the work was assigned prior to the activity. The student is responsible for contacting the teachers regarding assignments due.

FINES AND FEES
Students must clear all fines/fees annually. Students who owe fees to JCHS may not be permitted to attend the homecoming dance or Prom. No student is allowed to participate in graduation ceremonies unless all fines/fees are cleared. Checks are not accepted.

Fines and Privilege Fees:
- Lost or forgotten locker combination $1.00
- Gym Locker/Locker Fee $5.00
- Parking Decal $40

GRADE REPORTS
Progress Reports are issued at 4.5 weeks into each semester. These grades show progress at a single point in time. Grades are cumulative until the end of each semester. Report cards will be issued to students at the end of each 9-week grading period.

GRADING
The JCHS school year is divided into two 18-week semesters. Each semester grade is cumulative throughout the entire semester. Parents will receive one 9 week Report Card and one Semester Report Card. In addition to the report cards, parents will receive 2 Midterm Progress Reports which show progress at the middle (midterm) of each 9 weeks of the semester. The first semester report card will indicate the semester average. Grades begin again for second semester and are cumulative once again.

The yearly average will be computed similarly for Milestones courses and Non-Milestones classes.

Non Milestone Class: 1st Semester 40%   2nd Semester 40%   20% FINAL EXAM
Milestone Classes: 1st Semester 40%   2nd Semester 40%   20% EOC (Milestone)

The Gradebook
All teachers will keep grades electronically using the Infinite Campus Grade Book. All assignments will fall into one of three categories:

   Summative (60%)   Formative (30%)   Daily (10%)

Summative assessments are used to evaluate student learning, skill acquisition, and academic achievement at the conclusion of a defined instructional period—typically at the end of a project, unit, course, semester, program, or school year.

Formative assessments are a variety of methods used by teachers to conduct in-process evaluations of student comprehension, learning needs, and academic progress during a lesson, unit, or course.

Daily assignments are those tasks that help to make the student accountable for his or her own learning on a daily basis. It is a way of documenting the work “along the way” that supports learning and understanding.

Grades can be accessed by parents and students on a daily basis with login credentials issued through the counselor’s office. PARENTS ARE ENCOURAGED TO CHECK STUDENT GRADES ON A REGULAR BASIS.

HEALTH RECORDS  See District Handbook.

HOMECOMING FESTIVITIES
Homecoming is a week-long celebration that begins with spirit week and includes spirit activities, a homecoming parade, powder puff football game, and football game. The week-long festivities end with the Homecoming dance. The dress code for the Homecoming dance is the same as dress code for prom. All guests who are not currently enrolled in Jasper County High School must be pre-approved by administration prior to the dance. The date approval form must be submitted by the announced due date.

Miss Hurricane & Miss Homecoming are senior young ladies of high moral character. They are school leaders who:

a) maintain an overall 2.5 GPA
b) have a discipline record for the current year and past year that contain no ISS or OSS assignments
c) have no more than 5 unexcused absences (prior to establishing the homecoming court) of the current school year and have no more than 10 unexcused absences for the previous year.

Miss Hurricane is to be an example for other girls in our school. All clubs and organizations on campus may nominate one young lady for Miss Hurricane. Student Council members (class officers- including the representatives for the senior class) vote from these nominations. The person with the most votes wins. In the event of a tie the person with the highest GPA wins.

Miss Homecoming is a senior girl who is given this honor by winning the vote from the entire school. Eligibility is determined and the ballot entries are determined. Students from each grade vote for their Homecoming representatives. The Queen is voted on by the whole school with the winner being the senior with the most votes. The Homecoming court consists of 2 freshmen, 3 sophomores, 4 juniors and 5 seniors. In the event of a tie the person with the highest GPA wins. If a discipline violation is committed by either winner before the Homecoming
HONORS COURSES: REQUIREMENTS FOR ENROLLMENT
An honors-level course earns the "honors" title due to the rigorous learning standards and high expectations set forth by the teachers of the course. To earn the weighted value of the course, all honors students are to be held to the same challenging academic standards and expectations.
For enrollment in an honors course a student must,
A). Score a minimum of an 80 on the MAP screener (students may request a retest if score is lower). OR
B) Qualify by meeting two of the three following requirements:
1) A score of 65-79 on the MAP screener
2) A minimum of 85 of the prior course in the subject area.
3) An minimum EOC score of “Proficient” (Level 3) in the prior course in the subject area.

HONOR GRADUATE REQUIREMENTS
All students with a cumulative numerical average of 90 or above for all work in grades 9 - 12 will become a Jasper County High School Honor Graduate. This average is computed by finding the sum of all grades for courses in which credit was attempted (semester average or year-long average). If Advanced Placement courses and/or PSO were taken, count the number of such courses and multiply by ten. Add this product to the sum previously obtained. Divide this total by the number of grades earned.

THE SELECTION PROCESS WILL BE BASED ON ALL WORK COMPLETED AT THE CONCLUSION OF THE THIRD NINE WEEKS. Any incident of cheating or plagiarism documented in Infinite Campus and requiring administrative action disqualifies a student for any academic honor (including val, sal, and/or any other honor).

CORDS/STOLES/MEDALS AWARDED
The selection process for all academic honors will be based on all work completed at the conclusion of the third nine weeks of the senior year. Any incident of cheating or plagiarism documented in Infinite Campus and requiring administrative action disqualifies a student for any academic honor. Any decoration/ recognition worn at Graduation must be provided by JCHS.

Valedictorian and Salutatorian Selection: Requirements (Medal Awarded)
The Valedictorian is the student with the highest GPA for all courses taken in grades 9 through 12. The Salutatorian is the student with the second highest GPA for all courses taken in grades 9 through 12. In the case of a tie in Valedictorian, students will be named Co-Valedictorians and there will be no Salutatorian awarded for that year. For consideration for Valedictorian or Salutatorian, a student will have been a Jasper County High School student for at least four (4) consecutive semesters prior to the selection process. Cumulative GPA of students’ course work will be generated from student records. Any student not enrolled at JCHS the four previous semesters will be excluded from the Valedictorian/Salutatorian selection process. JCHS accepts credit from other SACs and GAC accredited schools (from any of the seven recognized accrediting associations) on face value and does not alter student records from other member schools. To that end JCHS will not alter the student record to add points if a student transfers in from a member school that does not add the extra points for AP and Honors courses.

Honor Graduate Recognition: Cord Requirements
Students with a cumulative numerical average of 90 or above for all work in grades 9 - 12 will become a Jasper County High School Honor Graduate. This average is computed by finding the sum of all grades for courses in which credit was attempted (semester average or year-long average). If Advanced Placement courses and/or PSO were taken, count the number of such courses and multiply by ten. Add this product to the sum previously obtained. Divide this total by the number of grades earned.

Beta Graduate Recognition: Stole Requirements
All students with an active membership in the National Beta Club who have earned an 88 average in all attempted classes will earn Beta Graduate recognition.

Gifted Program Recognition: Cord Requirements
Students who earn at least 100 points per academic year in the areas of Academics, Extracurricular activities, Leadership, and Community Activities will earn this recognition.

*National Technical Honor Society Recognition: Cord Requirements
Students enrolled in a CTAE class or those who have completed a CTAE Pathway can earn NTHS recognition. A student must attain an 80 or above overall GPA, earn all As and/or Bs in career/technical courses, and be an active member in a CTSO (HOSA, FCCLA, TSA, FFA, FBLA). The NTHS is open to 11th and 12th graders only. **Proposed local requirement addition for 19-20: Students must be enrolled in a CTAE Class or have completed a CTAE Pathway
**AP Scholar Recognition: Requirements**
Students who earn scores of three or higher on three or more AP Exams will earn this recognition. This recognition will be based on scores earned in any one school year while in high school, excluding the senior year. AP Exam scores for the senior school year are released in July following Graduation.

**DIPLOMA SEALS AWARDED FOR GRADUATION**

**Pathway Completer Recognition: Seal Requirements**
Students who successfully complete the courses required for a Georgia Career Pathway will earn this recognition.

**Dual Enrollment Recognition: Seal Requirements**
Students who successfully complete four Dual Enrollment courses will earn this recognition.

**Advanced Placement Recognition: Seal Requirements**
Students who successfully complete any combination of three Advanced Placement courses will earn this recognition.

**Gifted Program Recognition: Seal Requirements**
Students who earn at least 100 points per academic year in the areas of Academics, Extracurricular activities, Leadership, and Community Activities will earn this recognition. Details on the point system are available from Dr. Harty.

**National Technical Honor Society Recognition: Seal Requirements**
Students meeting the requirements provided for a NTHS cord, will also be provided a seal by the NTHS.

**HOSPITAL HOMEBOUND SERVICES** See District Handbook.

**JASPER COUNTY VIRTUAL ACADEMY**
*Jasper County Virtual Academy (JCVA)* is a non-traditional schooling option, offering the four core subject classes, Advanced Placement courses (deadline applies), and many electives through online coursework for students in the sixth through twelfth grades. Our staff includes high school certified facilitators to work with the students, an administrator, and a counselor. Additionally, the facilitators serve as content coaches for math, ELA, science, social studies, electives and CTAE courses. Dual-enrollment courses through local and surrounding colleges as well as virtual dual enrollment are also options through JCVA and would provide more possibilities for students pursuing college credits. The program serves sixth through twelfth grade students and is available for students seeking a full-time learning experience. It also provides an option for students to participate in extracurricular activities at Jasper County High School. Students have an opportunity to participate in extracurricular activities such as athletics, band, clubs, prom, and graduation if all eligibility requirements are met. In order to participate in athletics and band, students must take at least one class on the JCHS campus. Students who are residents of Jasper County may attend JCVA tuition-free. Applying for admittance should be carefully considered. Students who are well-organized and self-motivated will find JCVA a good fit. This option is not for every student, but many students thrive in an online-learning environment. Furthermore, students will be required to complete and score the minimum requirement on an online readiness questionnaire. The virtual program reflects the structure found in regular school programs, in that it will have frequent checks for understanding, multiple writing responses/projects, and exams. Final exams will be required at the end of each term for all students. In addition, all system and state mandated tests will be administered.

**JCVA Students – JCHS Campus Expectations**
JCHS and JCVA students are held to the same behavioral standards described in the JCHS handbook and the JCSS handbook. JCVA students will check in and report directly to their assigned class when arriving at JCHS. If arriving early, students should remain in the attendance office until the bell rings. If a JCVA student’s schedule requires them to be on campus multiple periods, they must report to the assigned classroom. There will be no “free period” or “open period” for JCVA students while on campus (i.e. a student is assigned a third period and fifth period class on campus but no fourth period; this student must leave campus during third period). JCVA students must leave campus when their last assigned class each day has ended. These students cannot remain on campus without prior approval from an administrator.

**LOCKERS**
Lockers are available for any student for a $5 fee and a completed Locker Agreement. After the start of school, locker issues may be resolved in the main office. Lost locker combinations are available in the Main Office for a nominal charge. The use of lockers is voluntary and restricted to the use of one and only one assigned student.

**MAKE-UP WORK**
Work missed as a result of a student’s excused absence can be made up when the student returns to school. Each teacher will have contact information in the syllabus as well as the time(s) period available for making up work.
It is the responsibility of the student and the parent to make arrangements with the teacher for approved make-up work at the convenience of the teacher. Students do not have an indefinite amount of time to turn in work. Although a teacher may permit a student to make up an assignment during the school day, students and parents should not assume that class time will be provided for makeup completion.

MEDIA CENTER
The Media Center is for the use of all students for reading, studying and research. The Media Specialist is here to assist students and teachers. While in the Media Center, students should be considerate of fellow students by working quietly. The Media Center will open for general circulation and return of books from 8:00 a.m. through 4:00 p.m. each school day and between classes. Lost or damaged materials must be paid for by the student to whom they were issued. Fines must be cleared by the end of each semester. **Book bags are prohibited in the main body of the school media center.** Violation of this rule will result in confiscation of the book bag. Book bags should be dropped along the inside of entrance wall and not carried into the main body of the media center. All purses are considered as book bags as well. Both are subject to search and seizure if necessary when on the campus of JCHS. Students are allowed in the Media Center during school hours from 8:00 a.m. until 4:00 p.m. with a pass. Teachers may allow individual students to go to the Media Center by issuing a pass. When the student arrives in the Media Center, the student shall sign in on the Media Center Student Log. Students who have a pass to the media center must sign out on the student log even at the end of the period. Students may report to the Media Center during lunch time with permission from the Media Specialist.

MEDICATIONS
All medications other than the exceptions listed in these guidelines, whether prescription or over-the-counter, may be administered only in accordance with the guidelines set forth by the principal of the school. All medications must be taken by the student, parent or guardian to the school office immediately upon arrival at school and must be in original pharmaceutical containers, clearly labeled as to the name of the student, the name of the medication, the appropriate dosage, and the times for dosage. Any student possessing prescription or over-the-counter medication not in accordance with these guidelines shall be subject to the discipline set forth in the Code of Conduct.

Certain medical diagnoses might require students to carry inhalers for asthma, auto-injectable epinephrine for allergic reactions and all necessary supplies and equipment to perform monitoring and treatment functions authorized by the student’s diabetes medical management plan. In order for a student to carry these on his/her person, medical documentation and/or parent/guardian permission is necessary. This permission/documentation must be turned in to the main office. Students authorized to self-administer such medications shall be instructed not to permit any other student to handle, possess, or otherwise attempt to use his/her medication and shall be informed that violations of such instructions will be dealt with in accordance with the Code of Conduct.

Parents must provide a written statement from a licensed physician confirming that the student is able to self-administer the medication. In order for the school to store and administer the medication for students who are unable to self-administer because of age or any other reason, parents must provide written permission from the parent for the nurse or designated employee to consult with the doctor regarding any questions that may arise concerning the medication. Such permission shall release the school district and its employees and agents from civil liability for administering such medication to students, or if the self-administering student suffers an adverse reaction as a result of self-administration of such medication. The terms of this paragraph may be met through a student’s diabetes medical management plan developed and implemented pursuant to state law. Parents are encouraged to provide to the schools duplicate medication and supplies in the event a student is unable to self-administer or fails to bring the medication or equipment to school. Nurses or other school employees are authorized to administer auto-injectable epinephrine, if available, to a student who is having an actual or perceived anaphylactic adverse (allergic) reaction, regardless of whether the student has a prescription for epinephrine. Any school employee who in good faith administers or chooses not to administer auto-injectable epinephrine to a student in such circumstances shall be immune from civil liability.

NO PASS/NO PARTICIPATE POLICY  See “Athletics.”

ONLINE COURSE CREDIT
Credit Recovery: Students may be enrolled in credit recovery for an attempted course in which credit was not earned. **Students will be placed in the regular classroom for credit recovery if the schedule allows.** Online credit recovery will be assigned on an individual basis based on multiple factors. If a student is enrolled in online credit recovery, all expectations of the regular classroom apply to online students when it comes to deadlines and grading. A minimum grade of 70 must be earned and EOC’s (20 % of course average) must be completed in applicable courses. **All work is due completed by the established due date.**

Online Initial Credit: *(Does not apply to Dual Enrollment students)*

All procedures listed for credit recovery apply for students enrolled in online initial credit courses with the following exceptions:

a) Initial credit classes may extend for two grading periods (semesters), depending on the class and the amount of credit earned.

b) Online initial credit cannot be earned in Math or English without special circumstances.

If the student is enrolled in an on-site class for online credit recovery, a grade for the class will be placed on the transcript for the semester in which they enrolled. This grade will be included in the GPA and the determination of class rank. Any coursework left incomplete during the assigned semester will be forfeited by that student and cannot be used when re-enrolling in the course at a later date. **As in the regular classroom, there will be no “carry-over” of coursework.** The student will be given the grade earned in the course within the allotted time.
Grades earned are based on work completed. Earning a credit for a grading period IS NOT only dependent on the completion of the entire course, but is also based on work completed by the due date.

PARKING
Parking on campus is a privilege. To be eligible to park on the JCHS campus, the student must a) be at least 16 years old, b) have a valid Georgia driver’s license and proof of insurance. **Automobiles parked on school property are subject to search by school officials.** The following procedures must be followed:

- The school is not responsible for theft or vandalism of vehicles parked on campus.

PBIS
The goal of our “Positive Behavior Interventions & Supports” program is to provide our students with a safe and effective school environment where they can experience academic and behavioral success. Also, it is designed to prevent the development and the intensifying of problem behavior and maximize academic success for all students. (See PBIS handbook available from Counselors)

Each student at Jasper County High School shall be afforded the opportunity for a moment of silent reflection.

PROHIBITED ITEMS
When a search of students, lockers, vehicles, book bags or any other type search occurs on school property, the following procedures shall guide the school administration in dealing with any prohibited items that are found that may necessitate action by a law enforcement agency. The administrator in charge of the school facility shall notify the Superintendent’s Office immediately that the search has occurred, illegal items found, and that specific students are being detained to complete an investigation. By the end of the business day, a parent of any student suspected of involvement shall be notified that the investigation is in progress and the nature of the child’s involvement as best it is known at that time. The administrator in charge of the school facility shall conduct the investigation to discover all students involved and the level of involvement with all due speed. The Superintendent’s Office shall be notified when the investigation has produced enough evidence to file charges against the student(s) involved. The administrator in charge of the school facility shall contact the law enforcement agency with the information the investigation has revealed and the evidence gathered. The law enforcement agency shall contact any other agency as may be appropriate. A parent shall be notified that the investigation and evidence supports a report to a law enforcement agency and that the report has been made. This should occur before any agency removes a student from the campus. Parents should have the opportunity to meet with the student and the administrator prior to the removal. A written report shall be filed with the Superintendent, summarizing the findings of the investigation within 24 hours of the completion of the investigation.

REGISTRATION
Registration is held in the spring of each year for the next school year. All students are required to complete the registration process. Students and parents accept responsibility for making wise choices in course selection at the time of registration. Parental involvement and knowledge is an important component of this process.

SCHEDULE CHANGES
A request to change a class may be obtained from the guidance office. Counselors will make changes during lunch during the first week of school, if not before the beginning of the school year. **STUDENTS WILL NOT BE PERMITTED TO DROP A COURSE (MAKE A SCHEDULE CHANGE) AFTER THE OFFICIAL “SCHEDULE CHANGE WINDOW” HAS CLOSED.**

SCHOOL GOVERNANCE TEAM
The School Governance Team’s (SGT) purpose is to help steer the school towards achieving its mission and to ensure the school’s effort and resources are properly focused toward that goal. SGT meetings will be held monthly; the agenda and minutes will be posted on eBOARD. The SGT will be comprised of parents, students, business/community representatives, teachers and school administration. The SGT will hold a measure of decision-making authority by working collaboratively with school leaders in specific areas of personnel, finances, curriculum and instruction, resource allocation, school operations, and the monitoring of student achievement. Members that serve on the team are provided extensive training. Schools will be able to better meet the targeted needs of their students with the flexibility allowed through a charter school status. The **local school board remains intact and its authority is not diminished under the Charter System status.**

SECTION 504 PROCEDURAL SAFEGUARDS NOTICE  See District Handbook.

SEXUAL ABUSE OR SEXUAL MISCONDUCT  See the District Handbook for more information.

SPECIAL PROJECT CREDIT
To meet the requirements for graduation, JCHS will recognize Special Project Credit for any student who completes out-of-school initiatives based on a Special Project proposal and completion of work by the individual student. The Special Project Credit (equivalent of 1 full unit of credit) may be used to fulfill an elective requirement for graduation. Students must complete the work for credit outside of the regular school day. Brochures with more information are available in the counseling office.

S.T.E.A.M.
STEAM at Jasper County High School will not only focus on the disciplines included in the acronym; but will also promote a strong focus on collaboration, community, careers and creative problem solving. JCHS students live in a rural community with limited examples of industry and career options. Considering these factors, the primary goal of STEAM for 2018-2019 school year will be to expose students to more career options and encourage students to participate in authentic student research. Students who elect to participate in this new initiative will need to join the STEAM Career Club. Students can join by signing up with Ms. Proctor and joining the Google Classroom (class
code: mrf9av3). Also, a bulletin board in the commons area will be dedicated to the STEAM Career Club. Note: Since we are in the 3rd official year of STEAM at JCHS, several initiatives are already in place. We will continue to support prior successes along with these new initiatives.

STUDENT DROP-OFF AND PICK-UP
Many students are delivered to the school by means other than a school bus. Students should be dropped off at the student parking entrance to the building. **Students should NOT be dropped off at the front of the building.** Please avoid the bus access points like the main upper drive. If a student’s ride needs to conduct business in the building, they are to park in one of the visitor spaces provided in the front parking lot. **Please refrain from parking in the loop directly in front of the building as this is a violation of fire/emergency codes.**

STUDENT PUBLICATIONS
According to Board policy and court decisions, school-sponsored publications are not public forums, but are considered a part of the curriculum. The school reserves the right to exercise editorial control of these publications. To participate in student publications, students must be enrolled in the Yearbook course.

SUMMER SCHOOL
Registration for summer school begins in May. Counselors send a letter home informing parents that their child is in danger of failing one or more courses. **WHEN IT IS DETERMINED THAT A STUDENT WILL NEED SUMMER SCHOOL, THE TEACHER WILL CONTACT THE PARENT BY PHONE OR CONFERENCE.** Teachers submit a SUMMER SCHOOL RECOMMENDATION FORM to the counselors and a summer school flyer is given to the student. A minimum grade of “60” must be earned to qualify for credit recovery. Otherwise the entire course must be completed. In some cases, a student may take a course for initial credit over the summer. This decision is made on an individualized basis.

TEACHER QUALIFICATIONS: PARENTS RIGHT TO KNOW  See District Handbook.

TESTING
The following assessments are administered at JCHS each year. Testing information is shared with students throughout the year and can be requested through the counselor’s office.
- MAP - (Measures of Academic Performance)
- Georgia Milestones (also known as End-Of-Course Assessments)
- PSAT - (Preliminary SAT/National Merit Scholarship Qualifying Test)
- SAT - (Originally called the Scholastic Aptitude Test or Scholastic Assessment Test)
- ACT - (American College Testing)
- ASVAB - (The Armed Services Vocational Aptitude Battery)
- EOPA - (End of Pathway Assessments)
- AP Exams - (Advanced Placement Exams)

TEXTBOOKS
Textbooks are the property of the local school system. When textbooks are issued to a student they become the student’s responsibility; he/she then has the responsibility to take care of these items at all times. If a text is lost and/or damaged (beyond the usual wear), **restitution must be made to the school; otherwise report cards may be held.**

TITLE I / PARENTAL ENGAGEMENT PLAN  See District Handbook.

TUTORING
Teachers are available before and/or after school to assist students who are having difficulties in class. Students are responsible for contacting the teacher and working out a satisfactory schedule. Board policy and professional ethics prohibits teachers from tutoring for pay for students that they are currently teaching.

VISITATION
Parents are welcome visitors at JCHS. Parents must contact an administrator of the school to arrange a classroom visit. Parents and/or guardians are the only visitors allowed with the student unless otherwise previously approved by the administration.

VOLUNTEERS
All JCHS volunteers must undergo an approval process. Not every volunteer will require a criminal/sex registry background checks. Some volunteers will require more thorough criminal background checks than others. All volunteers complete a VOLUNTEER REQUEST Form and submit it to the Principal.
WAITING AREAS
When they arrive in the morning students are to enter the school and report directly to the gym or commons area. Students arriving late should report to the attendance office. During the breakfast and lunch periods, academic hallways are closed to students. Restrooms in the front 100 hallway are for use during lunch and breakfast.

WEAPONS
The administration of JCHS will consider any object that is used in a threatening manner as a weapon. The Jasper County Board of Education policy prohibits the possession of a knife of any description and any blade length on any school campus. Possession of a gun of any type, real or imitation, operable or inoperable, will result in immediate OSS and a referral to the Student Disciplinary Tribunal with a recommendation of permanent expulsion. All such weapons will be confiscated.

Please direct any questions to the administration of Jasper County High School.

JASPER COUNTY CHARTER SYSTEM – ATHLETIC HANDBOOK

Please carefully read through this 2020-2021 Athletic Handbook. There are changes that will affect YOU.

Statement of Philosophy and Purpose of Handbook

Jasper County Schools is committed to providing a diversified, participatory, and successful athletic program that is available to all students. Our school believes that such a program is a vital and integral part of the total school environment as well as playing a key role in the overall development of each student who is involved in the athletic program. It is our belief that the athletic program should assist students in developing positive self-esteem and the qualities of good citizenship as well as promoting school spirit, fellowship and a pride in serving and positively representing the institution.

It is the purpose of this handbook to set forth the operating procedures for the students, parents and athletic staff. It is designed as a reference source that will facilitate the process of seeking and clarifying information concerning administrative and athletic policies and procedures as well as promote a framework that will lead to the effective and efficient application of those policies and procedures.

Objectives of Participation

The athletic program will provide each participating student adequate opportunities for:

- Physical, mental and emotional growth and development
- The acquisition and development of special skills in the activities of each student’s choice
- Directed leadership and supervision that stresses self-discipline, self-motivation, excellence and the ideals of good sportsmanship exemplified through winning and losing graciously
- Being a part of a unified team composed of the student body, faculty, and community
- The achievement of goals established by the individual student, the team and the school
- The development of skills and an appreciation of sports that may be used throughout life as a participant and/or spectator

The Goal for each Student-Athlete

The overall goal for the athletic program is for each student-athlete to become a better overall person through his or her participation in athletics. The major points of emphasis throughout the program will be teamwork, maximum effort, dedication, commitment, respect for authority and discipline.

Requirements for Athlete Participation

Pre-Participation Physical Evaluation — Students must have a certificate of an annual physical examination on file at the school prior to participating in any athletic tryouts, practices, voluntary workouts or games that indicate the student is physically approved for participation. The physical must be completed by a medical doctor and submitted to the athletic director prior to participation. The physical covers all sports for one calendar year. The form will be kept on file in the high school athletic office. Any physical examination taken on or after April 1 in the preceding year will be accepted for the entire next GHSA school year. The recommended pre-participation physical evaluation form is the form, which was adopted by the GHSA. It consists of an athlete’s personal and family medical history and an athlete’s physical examination completed by a medical physician.

Parental Consent for Athletic Participation and Transportation — All athletes and parent(s)/guardian(s) must realize the risk of serious injury which may be a result of athletic participation. Jasper County Schools requires that a Parental Consent for Athletic Participation and Transportation Form is signed by the athlete and his/her parent(s)/guardian(s). Parent(s)/Guardian(s) may not alter or change this form. Parent(s)/Guardian(s) acknowledge that they have read and understood the “Athlete/Parent/Guardian Handbook for Sanctioned Athletics Interscholastic Activities” when they sign this form.

Emergency Medical Authorization — Each student-athletes’ parent(s)/guardian(s) shall complete and Emergency Medical Authorization Form giving permission for treatment by a physician or hospital when the parent(s)/guardian(s) are not available. The form will be kept by the school’s athletic department for use as need during the emergency. (See Appendix) Each sport should have an emergency action plan for every sport and this plan should be accessible by the head coaches and assistants at all times.

Student/Parent Concussion Form — Each student and parent/guardian shall complete the Concussion Awareness Form. Please list all sports that the student-athlete will compete in during the school year.
**Sudden Cardiac Arrest Form**- Each student and parent/guardian shall complete the Concussion Awareness Form. Please list all sports that the student-athlete will compete in during the school year.

**Insurance** – The school district provides an opportunity to purchase insurance to cover student athletic injuries. Parent(s)/Guardian(s) are required to sign a form stating they have purchased either the necessary school insurance or possess a family insurance plan that covers athletic injury. If a family insurance plan is used, the family must provide the school with the name of the insurance company and the policy number on the appropriate form. Where possible, a scholarship fund should be set up to assist students who are in financial need as determined by the principal or his/her designee. Some method of discreet communication through a school contact person should be made available for students. There are **NO WAIVERS** for insurance; **ALL ATHLETES MUST HAVE INSURANCE**.

**GHSA Eligibility Requirements**

In order to be eligible with the Georgia High School Association, student-athletes must meet certain basic academic requirements. All students must pass a minimum of 2.5 credits per semester to maintain eligibility. In other words, a student must pass 5 out of 7 classes that they are taking to be eligible. In addition, to earning 2.5 credits per semester, a student-athlete must also be on-track academically. To maintain eligibility students must possess the following number of credits:

- 9th Grade: all entering 9th graders are eligible.
- 10th Grade: All second year students must have a minimum of 5 credits
- 11th Grade: All third year students must have a minimum of 11 credits
- 12th Grade: All fourth year students must have a minimum of 17 credits

Students have 8 consecutive semesters of eligibility beginning at the date of entry into the 9th grade. Eligibility can only be gained and lost on the last day of the semester. For example, if you are ineligible for the fall semester, you will not regain your eligibility until the first day of second semester. If you are ineligible in the spring, you will regain eligibility on the first day of fall semester or on the first practice date for a fall sport, whichever comes first. Credit Recovery courses taken during the course of a semester apply to the next eligibility period, not the current eligibility period.

The GHSA requires that all student-athletes have a physical on file at the school. The physical must show that the student is cleared to participate. Physicals are valid for a period of one year.

A full copy of all of the GHSA Eligibility requirements can be found here. [https://www.ghsa.net/constitution](https://www.ghsa.net/constitution)

**Middle School Athletic Eligibility**

A. A student is eligible to participate one year in the 6th grade, one year in the 7th grade, and one year in the 8th grade. This applies to the first year a student enters that grade. Participation means as a player or manager.

B. A player must not reach his/her 16th birthday prior to May 1st preceding the year of participation of his 8th grade year.

C. A student may have no more than one failing grade for the semester that precedes the sport. Each subject must be passed with a minimum grade of 70.

D. Athletes who are not eligible at the beginning of a season will not be allowed to join an athletic team if he or she becomes eligible half way through the season (i.e. Christmas or end of first semester). The only sport this will affect are basketball, wrestling, and basketball cheerleading.

E. All student-athletes are required to have a physical on file at the school. The physical must show that the student is cleared to participate. Physicals are valid for a period of one year.

**Introductions to the Parent/Guardian/Student-Athlete**

**Parent/Guardian/Student-Athlete Awareness of Athletic Policies and Procedures** – All student-athletes/parent(s)/guardian(s) shall have access to this handbook through the Jasper County Schools website. A hard copy of this handbook will be made available at student-athlete/parent/guardian who requests a copy. Each parent(s)/guardian(s)/student athlete shall be expected to read all of the enclosed material and complete all required forms including but not limited to athletic participation and transportation, health insurance, and physical examination. This handbook is designed as minimum standards for the Jasper County Schools Board of Education schools that are members of and participate in Georgia High School Association Interscholastic Athletic Association and Piedmont Athletic Association sanctioned athletic events.

**To the Parent(s)/Guardian(s)** – This material is presented to you because your son or daughter has indicated a desire to participate in athletic activities. The Jasper County School System believes that participation in interscholastic athletic activities provides a wealth of opportunities and experiences which will assist students in personal growth and development.
We believe that a properly controlled, well-organized interscholastic athletic activity program meets with students’ needs for self-expression, mental alertness, and physical growth. It is our hope to maintain a program that is sound in purpose and that will further each student’s educational maturity.

A student who elects to participate in the interscholastic athletic activity program is voluntarily making a choice of self-discipline and self-denial. These are the reasons we place such stress on good training habits. Failure to comply with the rules of training and conduct may mean exclusion from participation. This concept of self-discipline and self-denial is tempered by our responsibility to recognize the rights of the individual within the objectives of the team or activity. Staff will strive to:

1. To provide adequate equipment and facilities;
2. To provide well-trained coaches; and

Likewise, we feel that you have committed yourselves to certain responsibilities and obligations. We would encourage you to join your school’s Booster Club(s) to help provide the financial support essential to your school’s interscholastic athletic activities program.

Are not allowed to enter the competition area during warm-ups. It is the role of the school system to make rules that govern the spirit of competition for the schools. These rules need a broad basis of community support, which is achieved only through communication to the parent/guardian. It is our hope to accomplish this objective through this publication.

Why should it be any different now that your child is an athlete? A parent’s job is not to be the coach or the certified expert even if you are retired from a professional sports team. Parents are there so that they can share “the thrill of victory and the agony of defeat” – together. In fact, each athlete needs parental support more in defeat than in victory. Did you ever notice that strangers feel free to come out of the stands and congratulate the winner? But, in defeat, sometimes the athlete’s own teammates and coaches ignore him/her and the fans do not come out to console or congratulate him/her on a good game or match. As a parent/guardian you have to be there to cushion setbacks with a positive “We’ll get them next time!” Let the three “B’s” be your guide:

- Be There! Parents can never hope to be an All-Star parent unless they show up at games. Regardless of the skill level of the athletes or the success of the team - go to the games. Be supportive. Don’t be a fickle, fair-weather fan or an absent, too busy parent.
- Be Positive! On the sidelines or in the stands, if parents can’t say anything positive, don’t say anything at all. Nothing good comes from negative statements and nothing negative comes from positive ones. If parents can’t say something positive and supportive during the contest at least be silent.
- Be Seated! Even though it’s good to be positive, it is not good to overdo it. Do not stick out. Be an admirer, not a cheerleader. Players should not confuse their parent’s voice from the home stands with that of the public-address system’s announcers.

Sportsmanship –
The following statement has been adopted by the Georgia High School Athletic Association and will provide guidance for all participants in athletics:

"The GHSA and its member schools have made a commitment to promote good sportsmanship by student/athletes, coaches, and spectators at all GHSA sanctioned events. Profanity, degrading remarks, and intimidating actions directed at officials or competitors will not be tolerated, and are grounds for removal from the event site. Spectators or while the contest is being conducted.

Schools have made a commitment to promote good sportsmanship by student/athletes, coaches, and spectators at all events. Profanity, degrading remarks, and intimidating actions directed at officials or competitors will not be tolerated, and are grounds for removal from the event site. Spectators are not allowed to enter the competition area during warm-ups or while the contest is being conducted. Thank you for your cooperation in the promotion of good sportsmanship at all of our schools’ athletic events.

Grievances and Complaints – Athletics involvement is highly emotional and very time-consuming. Sometimes conflicts arise between athletes, coaches, and occasionally parents. When conflicts or issues arise, it is important that they are addressed immediately, and as directly as possible, so that it can be resolved promptly. Parents/Guardians should use the following process as a guideline when seeking resolution to conflicts or issues between athlete and coach:

- The First Step: Contacting the Coach – The parent(s)/guardian(s) should present the conflict/issue to the coach as soon as possible. In order for the contest to be as productive as possible, times that should be avoided are: prior to, during or immediately following a contest; during an active practice session when other athletes or parents are present or when it would be readily visible to others that the discussion is taking place or when it is apparent that there is not sufficient time to allow for complete discussion. This includes the time immediately before leaving for an away contest. Perhaps the best solution is to ask the coach, either over the phone or in person, if an appointment could be made to discuss the issue. Parent(s)/guardian(s) may also leave a note for the coach in the athletic office.
- The Second Step: Contacting the Athletic Director – If a satisfactory solution is not reached through direct contact with the coach, the parent(s)/guardian(s) should contact the school’s Athletic Director. The coach should be informed that this contact is going to
be made. If this discussion does not result in a satisfactory conclusion, then a meeting will be scheduled involving all concerned parties in an attempt to reach a satisfactory resolution. Since athletic seasons are relatively short, there should be no delay in airing any and all concerns. It is important for all parent(s)/guardian(s) to know that any comments, concerns or issues raised to the Athletic Coordinator will be addressed and communicated to the coach. Parents(s)/Guardian(s) may also expect to hear from the Athletic Director as to the disposition of their concerns. Although there can be no guarantee that all parties will agree with all resolutions or findings, a thorough, respectful airing different perceptions and experiences can lead to more productive relationships and clearer understandings in the future.

- The Third Step: Contacting the Principal – If there is still not a satisfactory resolution, the parent(s)/guardian(s) may contact the high school Principal. The school’s Athletic Director should be informed that this contact is going to be made. The grievances and complaints involved Title IX compliance, which is investigated according to the procedures outlined in Board Policy.

To the Student-Athlete – Being a member of the Jasper County Schools interscholastic athletic activity is the fulfillment of an early ambition for many students. The attainment of this goal carries with it certain traditions and responsibilities that must be maintained. A great competitive tradition is not built overnight; it takes hard work from many people over many years. As a member of an interscholastic activity team, you will be faced with either the task of maintaining an already successful tradition or the task of establishing a successful tradition. It is not easy to build a great tradition in interscholastic athletic activity competition. When you represent your school, we assume that you not only understand your school’s goals and traditions but also that you are willing to assume the responsibilities that go with them.

Interscholastic sports and athletic activities are exciting and often involve forceful contact with the ground, playing surface, or another player. Because of these conditions inherent to the sport of activity, participation in a school’s interscholastic athletic activity program exposes an athlete to many risks or injury. In an effort to make the sports and athletic activities as safe as they can, the coaching staff will instruct players in the rules and correct mechanics of skills. It is vital that athletes follow the coach’s skill instruction, training rules, and team rules to decrease the possibility of serious injury. The athletes should: (1) participate in proper warm-up and stretching before strenuous activity takes place either during practice or at a contest; (2) check his/her equipment before use for each practice and contest; (3) perform only those skills and techniques instructed and/or supervised by his/her coach; (4) be aware of his/her surrounding, taking no unnecessary risks on either home or away playing surfaces; (5) contact his/her coach immediately if an injury occurs, no matter how slight injury might be. Profanity, degrading remarks, and intimidating actions directed at officials or competitors will not be tolerated, and are grounds for removal from the event site.

Conditioning and tryouts for programs in and out of season are open to all JCS students providing they meet the standards of academic eligibility, parental permission, basic physical/health qualifications, and medical/health insurance.

DEAD WEEK: NO PRACTICES, WORK OUT SESSIONS, OR MEETINGS. During the summer (i.e., between the ending of one school year and the beginning of the next) the only restrictions on practices are that all activities must be strictly voluntary, and the “Dead Week” must be observed, as follows: Schools are prohibited from participating in voluntary workouts, camps and/or clinics, weight training or competitions during the week (Sunday through Saturday) in which the Fourth of July falls each year. While athletes may work out on their own, they cannot do so at their school or any other Jasper County school site under the supervision of a coach or at any non-school site under the supervision of a coach.

Summer Conditioning Rule: No student is allowed to participate in any activity with the school or team during the summer months unless they are an enrolled student in that school or a rising 9th grader from a feeder school. This includes summer conditioning and weight room sessions. Once the student is officially enrolled at the high school, the student can start participating in any and all activities. The student must have a current physical packet on file with the school.

Participation in athletics is a privilege; athletes try out voluntarily and, for some of our teams, risk being cut. During the tryout period, the coach will provide an explanation of his/her expectations. It is the athlete’s responsibility to demonstrate to the coach that he/she can meet these expectations. No athlete is guaranteed a place on a team simply because of his/her grade level or past participation. Athletes cut from a team are encouraged to try out for another team if there is space on that team and the final cuts have not been made. The athlete cut from a team may request a meeting with the coach during which the athlete will be informed as to the reason for the cut. Decisions made by the coaches will be explained to athletes at an appropriate time and an appropriate setting, usually in an athlete-requested meeting with the coach.

Athlete Playing Time – There are many factors that determine athletes playing time, such as practice attendance, attitude, commitment, effort, and athletic ability. There are many decisions made on a regular basis by the coaching staff. It is the coach’s responsibility to decide which athletes should start a contest, which athlete should play what position, and how long each athlete should play. These decisions, often difficult to make, are made only by the coaching staff and are approached very seriously after having observed the athlete in practice sessions, scrimmages and, at times, games.
**Varsity Teams** – The emphasis at the varsity level shifts towards fielding competitive teams. Our teams will compete against opponents at the highest level of execution and the goal is to win as many games as possible while constantly emphasizing fair play and sportsmanship. This emphasis may result in the major burden of the contest being carried by the most competitive, skilled team members and uneven playing time among the athletes, with some athletes not playing in every game. Once again, it is the coach who makes the decision on who starts, plays and for how long. However, teams cannot be successful without committed substitutes. These players should be ready at all times to step up and take on the burden of competition when called upon. It is the hard work in practice each day that prepares the whole team for upcoming games.

**Athlete Codes of Conduct** – A firm and fair policy of enforcement are necessary to uphold the regulations and standards of the county and school. The community, school administrators and the coaching staff feel strongly that high standards of conduct and citizenship are essential in maintaining a sound program. The welfare of the athlete is our major consideration. Any conduct which results in dishonor to the athlete, the team, the school, or the community will not be tolerated. Notwithstanding the consequences discussed in this handbook, any act at school or away from school, which results in any discipline by school administration; or any act at school or away from school which, in the opinion of the Principal reflects in a negative manner on the school, athletic program, or activity may result in removal from the team or event or lessened participation opportunities. Behavioral expectations and prohibitions apply 365 days a year, 24 hours a day, in and out of the specific extracurricular season, and on or off school grounds. In addition to the Jasper County Code of Conduct.

**Ethics Rule:** Acts of unacceptable conduct, such as, but not limited to disruption of school, theft, vandalism, disrespect, immorality, or violations of the law tarnish the reputation of everyone associated with the program and will not be tolerated. Due to the serious nature of violation to the Ethics Rule, the appropriate coach, the athletic director, and the principal shall establish procedures to determine the penalty according to the degree of the infraction.

Bullying and Hazing: The Jasper County School District expressly prohibits the bullying of any person by any means or method, at school, on school property, or at school-related functions.

**Training Rules/Regulations:** The athlete who uses tobacco, alcohol, illegal drugs, or any type of mood altering substance found in legal over the counter products jeopardizes team morale, team reputation, and team success and does physical harm to himself/herself.

1. **Use of Tobacco** – Student-athletes who use tobacco at any time, during the season and/or off-season
2. **Use of Alcoholic Beverages** – Student-athletes shall not consume alcoholic beverages at any time, during the season and/or off-season.
3. **Use of Illegal Drugs or Mood-Altering Substances** – Student-athletes shall not use illegal drugs or mood-altering substances at any time, during the season and/or off-season.

**Chemical Use and Penalties for Violation of Training Rules with Alcohol or Drugs (Non-Felony)**

**A. Chemical Use**

1. An athlete, regardless of quantity, shall not:
   - Buy, be in possession of, or use a beverage containing alcohol at any time;
   - Be in possession of, or use tobacco at any time;
   - Use, consume, possess, buy, sell, or distribute any controlled or other illegal or mood-altering substance at any time.
2. Athletes are responsible for their off-season and out of school behavior. These rules apply to an athlete’s entire high school career (365 days/24 hours).
3. It is not a violation for an athlete to be in possession of a controlled substance specifically prescribed for the student’s personal use by his/her doctor.
4. Athlete possession of substances containing alcohol under parent supervision for religious purposes will not be considered a violation of this policy.

**B. Penalties for violation include:**

**Alcohol/Drugs:**

1. **First Violation:**
   After confirmation of the first violation, the student will be suspended a minimum of 20-percent of the current season or the next season that the athlete competes in. The penalty will be immediately assessed to the athlete’s next competitions. If the offense happens prior to the start of a season, the athletes may be permitted to try out for the sport but will then serve the suspension at the start of the season. The student can practice with the team if the coach/school permits him/her to practice during the suspension. Practicing during the suspension will be a local school decision. The student may not travel with the team during the suspension to competitions.

2. **Second Violation:**
   After confirmation of the second violation, the student will lose a minimum of 50-percent of the current season or the next season that the athlete competes in. The penalty will be immediately assessed to the athlete’s next competitions. If the
offense happens prior to a season starting, the athlete may be permitted to try out for the sport but will then serve the suspension at the start of the season. The student can practice with the team if the coach/school permits him/her to practice during the suspension. Practicing during the suspension will be a local school decision. The student may not travel with the team during the suspension to competitions.

3. **Third Violation:**
   If a third violation occurs, the athlete will be suspended from all practices/competitions for one calendar year, and the athlete may be prohibited from ever representing his/her school in interscholastic activities at any time in the future.

4. **Fourth Violation:**
The athlete will lose the privilege to participate in extracurricular activities for their remaining time in high school.

- Scrimmages are not counted as games; they are considered practices. When assessing a suspension, only regular season and playoff games count.
- If a student is suspended, playoff games count towards the suspension. For example; A football player is caught with alcohol after the 9th football game of the season. The football team has qualified for the state playoffs. The student-athlete must serve 20-percent, in this case, 2 games. The student-athlete will be suspended for the 10th game and the 1st playoff game. If the team wins in the playoffs, the athlete is eligible to play in the 2nd playoff game.
- Suspensions for multi-sport athletes – A suspension can carry over from one sport to another sport. If an athlete cannot fulfill all of the 20% suspension in their current sport, the remainder of the suspension will occur during the season of the next sport they play. For this to be the case, the athlete must have played the 2nd sport the previous year (the exception is a 9th grader). An athlete cannot play a second sport just to avoid a suspension in their main sport. The athletic director will make the final determination in these cases.
- Suspensions for one sport athletes – If a suspension occurs at the end of the season, the athlete will serve their suspension the following year.
- Suspensions per sport are listed below.

### 20-percent Suspensions – Based on the number of scheduled games/matches/competitions.

2. **Second Violation:**

The student may not travel with the team during the suspensions to any competitions.

3. **Third Violation:**
   After confirmation of the third violation, the student is suspended for a minimum of one calendar year from extracurricular activities.

These rules and consequences are in addition to any other school discipline under the Code of Conduct. Because rules are consistently applied in all Jasper County Schools, an athlete may not regain eligibility by transferring to another school.
Criminal Activity:
Parent(s)/Guardian(s) and/or students must report any arrest of a student or behavior in which law enforcement involved, to their high school administrators or coach within two weeks (14 calendar days) of the arrest or behavior. The two-week time frame includes weekend, school holidays, and summer vacation.

Felonies:
A student who is arrested for, or charged with a felony or charged with an act that would constitute a felony if committed by an adult shall be automatically suspended from interscholastic activities. Students will not be permitted to participate in preseason activities. The student shall remain suspended until: (1) The charges are completely dismissed; (2) The charges are reduced to a misdemeanor in which case the student may be subject to penalties outlined for misdemeanors or alcohol/drugs; (3) The student is found not guilty; or (4) The student successfully completes the consequences assigned by the judge or agreed to by the student, including probation or diversion. Evidence that the probation period has expired, fines have been paid and/or community service has been completed as required.

If a student has been arrested or charged with an offense, but the matter has been expunged, sealed, removed from a student’s record, or the behavior has not been prosecuted (nolle prosequi), the student should present or obtain documentation as required by the school to determine the circumstances of the matter. These circumstances may not be sufficient to lift the student’s consequences.

In-School Suspension (ISS)
Any student-athlete this is disciplined by assignment to In-School Suspension (ISS) is suspended from athletic competition until his or her assigned time is completed in ISS. Any further punishment will be determined by the head coach.

Suspension – Out-of-School Suspension (OSS)
If a student-athlete is disciplined by suspension from school, then he or she is suspended from being present at any athletic practice or competition. Once the suspension has been completed then the student-athlete can return to athletic practice and competition. Any further punishment will be determined by the head coach.

Dismissal
An athlete that is dismissed from a team may only return to that team with the permission of the head coach. The head coach must have a legitimate reason for dismissing an athlete (ex. Breaking rules, drug use, etc.). Before any athlete is dismissed from a team it must be reported to the athletic director.

Absences
Jasper County Schools policy prohibits participation in any extracurricular activity if a student is not present at school for at least one-half of the school day unless there is a clear and justifiable reason for the absence. Any student who is absent for more than one-half of a school day and wishes to participate in an extracurricular activity, including practices, on that day must receive approval to do so by school administrators before the absence occurs.

Practices: In-Season
Although practice schedules differ from sport to sport, it is our philosophy that our student-athletes are students first and athletes second. We strongly encourage our coaching staff to take this philosophy into consideration when developing practice and game schedules. There may not be any mandatory practices on Sundays and any Sunday practices are highly discouraged by the administration of Jasper County Schools. Any attendance at Sunday practices must be strictly voluntary and non-attendance by a student-athlete may not be used as a reason to disallow a student-athlete from any game participation time nor can a student-athlete be disciplined in any way for non-attendance of a Sunday practice.

Practices: Off-Season
Practices held during the off-season may not be mandatory nor may they be a prerequisite for participation or membership on a team. This means that a coach cannot require a student-athlete to make up a practice he or she misses out of season. While rewards and incentives may be used to encourage attendance, participation may not be made mandatory.

Consequences for Quitting a Sport During the Season
Student-Athletes are expected to complete the season of the sport in which they are participating in its entirety. However, we recognize conflicts do arise and that there may be no other satisfactory solution than for a student-athlete to leave the team. If such a situation occurs, it is requested that the student-athlete and his or her parent(s) meet with the Head Coach, the school Athletic Director, and/or the Principal to discuss the reason(s) for quitting the sport. If a resolution cannot be reached that would allow for continued participation, then all parties will agree that this is the best course of action.

If as student-athlete quits one sport, he/she will not be allowed to participate in another sport until that sport is out of season. Strong consideration will be given as to whether or not the student-athlete will be able to try-out and compete in another sport that year. In this case, the determination will be made by the Athletic Director in conjunction with the head coach of the sport that the athlete quit, the head coach of the sport the student-athlete will be trying out for, and the parents of the student-athlete.
Conflicts Among Extracurricular Activities

Jasper County Schools encourages students to become involved in a variety of extracurricular activities according to their individual interests and skills. The faculty and staff at Jasper County Schools are committed to working together to allow maximum student involvement. We recognize that this philosophy will result in conflicts between many extracurricular activities from time to time. Head Coaches and/or Sponsors, the school Athletic Director, and/or Academics Events Coordinator, along with the student and parent(s) will meet together to work out a satisfactory solution based on the following considerations:

A. Best interests of the school
B. Best interests of the student
C. Best interests of the team/activity as a whole

A key component in reaching an agreement on the best course of action will be a priority statement by the student-athlete and his or her parent(s) identifying which activity takes priority over another in the case where conflicts occur among activities.

Fundraising

Student-athletes may be expected to assume some of the responsibility for fundraising (cookie, donut, or other commodity sales, car washes, and other revenue-generating activities) for their respective sports so that a concerted effort (school, community, coach, and student-athlete) can be directed toward funding programs and toward providing a quality experience. Individual coaches and supporters of programs should not begin any activities or approach area merchants for donations without permission from the Athletic Director and Principal.

Booster Club

Booster club support is essential to providing a quality athletic program at the high school level. We encourage all parent(s) and other people and businesses of the community to join our booster club so that Jasper County Schools can provide the best opportunities for student-athletes to attain success through quality equipment and facilities.

Jasper County Charter Schools
Transportation Policy for Athletics

Students involved in all extracurricular activities at Jasper County Schools will be provided transportation to and from all away games/meets/matches. However, there will be instances where a student-athlete will be required to drive to a different location for practice. In these cases, a release for this travel must be on file with the Head Coach of that sport as well as the Athletic Director’s office. A student-athlete may NOT transport another student-athlete unless he or she is a member of the same immediate family. Recent accidents and litigation have made this necessary. The student-athletes at Jasper County Schools will have a bus provided by the Jasper County Schools Board of Education and a trained driver to drive this bus to all away games/meets/matches. This is the safest way for all persons to get to and from events. Student-athletes at Jasper County Schools will not be released to any individual to ride private transportation following contests except the student-athletes parent(s) or legal guardian, and a release must be signed by the parent/guardian after the contest; no pre-approvals for being released to someone other than a parent/guardian will be allowed.

Dear JCCS Community,

Welcome to Jasper County Charter System. Our Children, Our Community, Our Responsibility!

It is my pleasure and privilege to serve as your Superintendent. During my first year as the leader of the system, I have met many wonderful people in our county. We have much to be proud of with new athletic facilities, significant upgrades in technology, and the implementation of research based practices in our classrooms.

The 2020-2021 school year will be different due to the COVID-19 pandemic facing all students across our nation and world. With the challenges we face due to the pandemic, I see opportunities for our community to excel in establishing our "new normal". The one constant from the faculty and staff of Jasper County Charter System, which remains, is our deep commitment to the success of our students. As a team, we have developed innovative ways to promote teaching and learning. I am excited to see how the 2020-2021 school year will be reshaped to provide each student a quality basic education.

As your Superintendent, I will give my all to see all succeed - students, faculty and staff, and stakeholders. If we all seek continuous improvement, then we will all benefit from our efforts.

Again, I welcome you to our system. Let 's make this year the best ever!

HOMELESS STUDENTS

The McKinney-Vento Homeless Assistance Act (the Act): The Stewart B. McKinney-Vento Education for Homeless Children and Youth Act ensures the educational rights and protections for children and youth experiencing homelessness. It provides legal protections for these
children and youth to enroll in, attend, and succeed in school and preschool programs. In accordance with the Act, every child of a homeless individual and every homeless child or youth shall have equal access to the same free, appropriate public education as provided to other students. The District shall assign and admit a child or youth who is homeless to a District school regardless of residence or whether the parent/guardian or student is able to produce records normally required for enrollment. Unaccompanied youths must be afforded specific protections, including immediate enrollment in school without proof of guardianship.

The Superintendent shall appoint an appropriate staff person to be the district’s liaison for homeless children and youths. The liaison shall be responsible for identifying homeless children and youths, compiling data collected on children and youth in transition, determining and arranging for needed services, monitoring academic achievement, facilitating enrollment, and settling disputes.

**Definition**

The term “homeless children and youths” is defined as provided in the McKinney-Vento Homeless Assistance Act (the Act). Homeless students are defined as lacking a fixed, regular and adequate nighttime residence, including children or youth who experience one or more of the following characteristics:

1. Are sharing the housing of other persons due to loss of housing or economic hardship, or a similar reason;
2. Are living in motels, hotels, trailer parks, camping grounds due to the lack of alternative adequate accommodations;
3. Are living in emergency or transitional shelters;
4. Are abandoned in hospitals; have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings;
5. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, transportation stations, or similar settings;
6. Are migratory children living in conditions described in the previous examples; unaccompanied youth who are not in the physical custody of a parent or guardian.

**Attendance**

The School District will work with homeless children and youths and their families to provide stability in school attendance and other services. Special attention will be given to ensuring the enrollment and attendance of homeless children or youths not currently attending school in a manner that will not stigmatize or segregate them on the basis of their status as homeless. The Superintendent or designee will review and revise as necessary regulations or procedures that may be barriers to the enrollment of homeless children and youths. In reviewing and revising such regulations or procedures, the District will consider issues of transportation, immunization, residence, birth certificates, transfer of school records and other documents required for enrollment.

**Dispute Resolution**

Anyone having a concern or complaint regarding eligibility, school selection, or enrollment of a homeless child or youth should first present it orally and informally to the District homeless liaison, who shall carry out the dispute resolution process as defined in the state plan for the education of homeless children and youths.

**Services**

Homeless students will be provided district services for which they are eligible, including transportation services, Head Start and comparable pre-school programs, Title I and similar state or local programs, educational programs for students with disabilities or limited English proficiency, career and technical education programs, gifted and talented programs, school nutrition programs, summer learning opportunities, online learning, and magnet and/or charter schools. Appropriate secondary education and support services will be provided to ensure that homeless youths receive appropriate credit for full or partial coursework satisfactorily completed while attending a prior school. Homeless children or youth must be provided transportation to or from a student’s school of origin, at the request of a parent, guardian, or, in the case of an unaccompanied youth, or the local liaison.

**Collaboration and Policy Revision**

The district’s liaison for homeless students and their families shall coordinate with local social service agencies that provide services to homeless children and youths and their families; other school districts on issues of transportation and records transfers; and state and local housing agencies responsible for comprehensive housing affordability strategies. The district’s liaison will also review and seek revisions to district policies that may act as barriers to the enrollment of homeless students.

NOTICE TO PARENTS/GUARDIANS AND ELIGIBLE STUDENTS
OF RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) 2020-2021

FERPA affords parents and eligible students (over 18 years of age or attending a postsecondary institution) certain rights with respect to the student’s education records. These rights are:

(1) The right to inspect and review the student’s education records within 45 days after the school receives a request for access. Parents or eligible students should submit to the principal a written request that identifies the records they wish to inspect. The principal or designee will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. To request amendment of a student record, parents or eligible students should submit to the school principal a written request, specifying the part of the record they want changed and why it is inaccurate, misleading, or otherwise in violation of the student’s privacy rights. If the school decides not to amend the record, it will notify the parents or eligible students of the decision and inform them of their right to a hearing. Additional information regarding the hearing procedure will be provided with the notification of the right to a hearing.

(3) The right to provide written consent before the school discloses personally identifiable information (PII) from the student’s education records, except to the extent that disclosure without prior written consent is authorized by FERPA and its implementing regulations at 34 C.F.R. § 99.31. One exception that permits disclosure without consent is to school officials with legitimate educational interest. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. A school official is a person employed by the school district as an administrator, supervisor, instructor, or support staff member (including school nurses and school resource officers); a member of the school board; a person or company with whom the district has contracted to perform a specific task (such as attorney, auditor, medical consultant, therapist, or online educational services provider); a contractor, consultant, volunteer, or other party to whom the school district has outsourced services, such as electronic data storage; or a parent or student serving on an official committee (such as a disciplinary or grievance committee) or assisting another school official in performing his or her tasks. The district allows school officials to access only student records in which they have a legitimate educational interest. School officials remain under the district’s control with regard to the use and maintenance of PII, which may be used only for the purpose for which disclosure was made and cannot be released to other parties without authorization. Upon request, the district discloses education records without consent to officials of another school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student’s enrollment or transfer.

(4) FERPA requires the school district, with certain exceptions, to obtain written consent prior to the disclosure of personally identifiable information from the student’s education records. However, the district may disclose appropriate designated “directory information” without written consent, unless the parent or eligible student has advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the school to include this type of information from the student’s education records in certain school publications, such as the annual yearbook, graduation or sports activity programs, honor roll or other recognition lists, or on websites or social media sites affiliated with the school or school district.

The School District has designated the following information as directory information:

(a) Student’s name, address and telephone number;
(b) Student’s date and place of birth;
(c) Student’s e-mail address;
(d) Student’s participation in official school activities and sports;
(e) Weight and height of members of an athletic team;
(f) Dates of attendance at schools within the district;
(g) Honors and awards received during the time enrolled in district schools;
(h) Photograph; and
(i) Grade level.

Unless you, as a parent/guardian or eligible student, request otherwise, this information may be disclosed to the public upon request. In addition, two federal laws require school districts receiving federal financial assistance to provide military recruiters, upon request, with students’ names, addresses, and telephone numbers unless parents have advised the school district that they do not want their student’s information disclosed without their prior written consent. You have the right to refuse to allow all or any part of the above information to be designated as directory information and to refuse to allow it to be disclosed to the public upon request without your prior written consent. If you wish to exercise this right, you must notify the principal of the school at which the student is enrolled in writing within 10 days after officially enrolling in school or within 10 days of the date of the release of this notice.

(5) You are also notified that from time to time students may be photographed, videoed, or interviewed by the news media at school or at some school activity or event. The principal will take reasonable steps to control access to students by the media or other individuals.
not affiliated with the school or district. However, your submission of a written objection does not constitute a guarantee that your student will not be photographed, videoed, or interviewed, or that such information will not be posted on websites or social media sites not affiliated with the school or district or in circumstances which are not within the knowledge or control of the principal.

(6) You have the right to file a complaint with the U. S. Department of Education a complaint concerning alleged failures by the school district to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202.

(7) The Georgia Student Data Privacy, Accessibility, and Transparency Act affords parents and eligible students the right to file a complaint with the school district regarding a possible violation of rights under O.C.G.A. § 20-2-667 or under other federal or state student data privacy and security laws.   3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

- Inspect, upon request and before administration or use—
  1. Protected information surveys of students;
  2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
  3. Instructional material used as part of the educational curriculum.

Parents and eligible students must be notified at the beginning of the school year if the school district has identified the specific or approximate dates during the school year when any of the activities listed above are expected to be scheduled. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys and be provided an opportunity to opt their child out of such activities and surveys. The Board of Education has developed and adopted policies regarding these rights as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. The district will directly notify parents or these policies at least annually at the start of each school year and after any substantive changes. The district will also directly notify parents of students who are scheduled to participate in the specific activities or surveys noted and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey.

The school is required by federal law to give this notice to parents. However, the school does not have scheduled any such activities as are described above at this time. If any such activities are initiated during the school year, parents will be notified accordingly and will be afforded all the rights described herein.

Parents who believe their rights have been violated may file a complaint with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave, SW, Washington, D.C. 20202-8320.
SECTION 504 PROCEDURAL SAFEGUARDS NOTICE

Any student or parent or guardian (“grievant”) may request an impartial hearing due to the school system’s actions or inactions regarding your child’s identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system’s Section 504 Coordinator; however, a grievant’s failure to request a hearing in writing does not alleviate the school system’s obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system’s Section 504 Coordinator. The school system’s Section 504 Coordinator will assist the grievant in completing the written Request for Hearing. The Section 504 Coordinator may be contacted through the school system’s central office. MTSS – GEORGIA’S TIERED SYSTEM OF SUPPORTS

What is MTSS?

MTSS is a Preventive Framework and Tiered System of Supports for Students.

What is the National Definition?

A tiered system of supports that integrates assessment and intervention within a school-wide, multi-level prevention system, designed to maximize student achievement and reduce behavioral problems. It promotes systems alignment to increase the efficiency and effectiveness of resources. Adopted from the National Center on Response to Intervention (NCRTI), 2010

What does MTSS do?

MTSS is a multi-level framework aimed at improving outcomes for ALL students.

It is preventive and provides immediate support to students who are at risk for poor learning and/or behavior outcomes. It includes RTI (Response to Intervention) and PBIS (Positive Behavior Interventions and Supports), the academic and behavioral systems in schools.

It incorporates 5 essential components; 1) it is data driven; 2) it includes a team approach; 3) it supports ALL students in learning; and 5) it is considered best practice for teaching and learning.

TITLE I

All four Jasper County Schools are Title I schools which develop and revise plans that support the system’s Continuous Improvement Plan. Stakeholders have a right to be included in this process. In addition to state and local funds, each school receives federal funds which accomplish the goals that are outlined in the plans.

What is Title I?

Title I is when a school district receives funds from the federal government to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging State academic achievement standards and state academic assessments.

Title I, a provision of the Elementary and Secondary Education Act passed in 1965 is a program created by the United States Department of Education to distribute funding to schools and school districts with a high percentage of students from low-income families. Funding is
distributed first to state educational agencies (SEAs) which then allocate funds to local educational agencies (LEAs) which in turn dispense funds to public schools in need. Title I also helps children from families that have migrated to the United States and youth from intervention programs who are neglected or at risk of abuse. In addition, Title I appropriates money to the education system for prevention of dropouts, homeless youth and for the improvement of schools.

**What is the purpose of a school wide Title I program?**
The purpose of a school wide Title I program is to improve the entire educational program in a school, which should result in improving the academic achievement of all students, particularly the lowest achieving students. The goal of such a program is to assist those students to demonstrate proficiency on academic standards.

The Jasper County School District is a school wide district. Therefore, all of its schools have a school wide program. Schools are required to develop, review and revise plans that include comprehensive reform strategies that are designed to improve the entire educational program in a Title I school.

Parents have a right and are encouraged to review and make suggestions to all Title I plans developed or revised by the schools. Plans include:

1. Comprehensive Needs Assessments *(CNA)*-Jasper County Charter System
2. District Improvement Plan *(DIP)*-Jasper County Charter System
3. School wide Plan *(SWP)*-each school
4. Title I School – Parent Compact-each school
5. Family & Parent Engagement Plan *(PE Plan)*-system and each school
6. Flexible Plan *(FLP)* – developed for Priority and Focus Schools

Each Title I school is in the process of developing or enhancing a Parent Center/Corner, and a full-time Parent Involvement Coordinator *(PIC)* is on staff.

Procedures for Students to Report Inappropriate Employee Behavior

"20-2-751.7(a) The Professional Standards Commission shall establish a state mandated process for students to follow in reporting instances of alleged inappropriate behavior by a teacher, administrator, or other school employee toward a student which shall not prohibit the ability of a student to report the incident to law enforcement authorities. Each local school system shall be required to implement and follow such state mandated process and shall include the mandated process in student handbooks and in employee handbooks or policies.

Student Reporting of Acts of Sexual Abuse or Sexual Misconduct
(a) Any student (or parent or friend of a student) who has been the victim of an act of sexual abuse or sexual misconduct by a teacher, administrator or other school system employee is urged to make an oral report of the act to any teacher, counselor or administrator at his/her school.

(b) Any teacher, counselor or administrator receiving a report of sexual abuse or sexual misconduct of a student by a teacher, administrator or other employee shall make an oral report of the incident immediately by telephone or otherwise to the school principal or principal’s designee and shall submit a written report of the incident to the school principal or principal’s designee within 24 hours. If the principal is the person accused of the sexual abuse or sexual misconduct, the oral and written reports should be made to the superintendent or the superintendent’s designee.

(c) Any school principal or principal’s designee receiving a report of sexual abuse as defined in O.C.G.A. 19-7-5 shall make an oral report immediately, but in no case later than 24 hours from the time there is reasonable cause to believe a child has been abused. The report should be made by telephone and followed by a written report in writing, if requested, to a child welfare agency providing protective services, as designated by the Department of Human Resources, or, in the absence of such agency, to an appropriate police authority or district attorney. Reports of acts of sexual misconduct against a student by a teacher, administrator or other employee not covered by O.C.G.A. 19-7-5 or 20-2-1184 shall be investigated immediately by school or system personnel. If the investigation of the alleged sexual misconduct indicates a reasonable cause to believe that the report of sexual misconduct is valid, the school principal or principal’s designee shall make an immediate written report to the superintendent and the Professional Standards Commission Ethics Division.

CHILD ABUSE AND NEGLECT REPORTING

All employees of the Board of Education, including all teachers, administrators, guidance counselors and visiting teachers, as well as all school social workers and school psychologists employed by the Board and volunteers who work in the school system, who having reasonable cause to believe that suspected child abuse has occurred shall report that abuse immediately, but in no case later than 24 hours from the time there is reasonable cause to believe a child has been abused, in accordance with Georgia law and the protocol for handling child abuse cases for Jasper County, Georgia. Under no circumstances shall the principal or designee to whom a report of child abuse has been made exercise any control, restraint, modification or make other change to the information provided by a mandated reporter, although the reporter may be consulted prior to the making of a report and may provide any additional, relevant and necessary information when making the report.

PARENT NOTIFICATION OF ONLINE OPTIONS

On-Line Options
State law requires schools to allow student opportunities to take online courses. Online courses are not required to graduate but provide an online learning option should your student or you choose this option. In addition, House Bill 175 passed establishing a clearinghouse for stakeholders to find online courses and online course providers in the state of Georgia. This letter is to inform that the state has established a clearinghouse of learning opportunities for your student.

Accessing Georgia’s Online Clearinghouse:
The Georgia Online Clearinghouse provides students and parent with information and access to high-quality academic and career-oriented courses, aligned to state and national standards, through a variety of online providers. To access the information found in the clearinghouse go to: http://www.gadoe.org/_layouts/GADOEPublic.SPApp/Clearinghouse.aspx
STUDENT CODE OF CONDUCT

It is the purpose of the Jasper County Board of Education to operate each school in a manner that will provide an orderly process of education and that will promote the welfare and safety of all students who attend the schools within the district. In accordance with that purpose, the Board of Education has adopted a Code of Conduct which sets standards for student behavior.

The District’s primary goal is to educate, not to punish; however, when the behavior of an individual student comes in conflict with the rights of others, corrective actions may be necessary for the benefit of that individual and the school or district as a whole. Accordingly, students shall be governed by the regulations and rules set forth in this Code of Conduct. Jasper County will implement the best practices of PBIS (Positive Behavior Intervention and Supports) in all schools within the district. PBIS is a proactive approach to establishing the behavioral supports and social culture and needed for all students in a school to achieve social, emotional and academic success.

The Code of Conduct sets the expectation that students will behave themselves in such a way so as to facilitate a learning environment for themselves and other students. This includes but is not limited to showing respect for each other and school district employees, following guidelines and policies related to behavior that are adopted by the Jasper County Board of Education, and obeying rules established by individual schools and classrooms.

The Code of Conduct is effective during the following times and in the following places:

- At school or on school property at any time;
- Off school grounds, any school-related activity, function or event and while traveling to and from such events;
- On school buses and at school bus stops.

Also, students may be disciplined for conduct off campus which could result in the student being criminally charged with a felony and which makes the student’s continued presence at school a potential danger to persons or property at the school or which disrupts the educational process. Major offenses including, but not limited to, drug and weapons offenses can lead to schools being named as an Unsafe School according to the provisions of State Board Rule 160-4-8-.16, Unsafe School Choice Option.

The General Assembly of Georgia requires that this Code of Conduct include language encouraging parents and guardians to inform their children of the consequences, including potential criminal penalties, of underage sexual conduct and crimes for which a minor can be tried as an adult.

Parents are encouraged to become familiar with the Jasper County Code of Conduct and to be supportive of it in their daily communication with their children and others in the community.

Authority of the Principal

The principal is the designated leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. In cases of disruptive, disorderly or dangerous conduct not covered in this Code, the principal may undertake corrective measures which he or she believes to be in the best interest of the student and the school provided any such action does not violate school board policies or procedures.

Teacher Authority

The Superintendent fully supports the authority of principals and teachers in the school system to remove a student from the classroom pursuant to provisions of state law.

Each teacher shall comply with the provisions of O.C.G.A. § 20-2-737, which requires the filing of a report by a teacher who has knowledge that a student has exhibited behavior that repeatedly or substantially interferes with the teacher’s ability to communicate effectively with the students in his or her class or with the ability of such student’s classmates to learn, where such behavior is in violation of the student code of conduct. Such report shall be filed with the principal or designee on the school day of the most recent occurrence of such behavior, shall not exceed one page, and shall describe the behavior.

The principal or designee shall, within one school day after receiving such a report from a teacher, send to the student’s parents or guardian a copy of the report and information regarding how the student’s parents or guardians may contact the principal or designee.

The principal or designee shall notify in writing the teacher and the student’s parents or guardian of the discipline or student support services which has occurred as a result of the teacher’s report within one school day from the imposition of discipline or the utilization of the support services. The principal or designee shall make a reasonable attempt to confirm that the student’s parents or guardian has received the written notification, including information as to how the parents or guardian may contact the principal or designee.
Parental Involvement
This Code of Conduct is based on the expectation that parents, guardians, teachers and school administrators will work together to improve and enhance student behavior and academic performance and will communicate freely their concerns about, and actions in response to, student behavior that detracts from the learning environment. School administrators recognize that two-way communication through personal contacts is extremely valuable; therefore, they provide information to parents as well as on-going opportunities for school personnel to hear parents’ concerns and comments. Parents and students should contact the principal of the school if specific questions arise related to the Code of Conduct. The Code of Conduct specifies within its standards of behavior various violations of the Code which may result in a school staff member’s request that a parent or guardian come to the school for a conference. Parents are encouraged to visit the schools regularly and are expected to be actively involved in the behavior support processes designed to promote positive choices and behavior.

Progressive Discipline Procedures as Related to the Code of Conduct
When it is necessary to impose discipline, school administrators and teachers will follow a progressive discipline process. The degree of discipline to be imposed by each school official will be in proportion to the severity of the behavior and will take into account the student’s discipline history, the age of that student, and other related factors.

The Code of Conduct provides a systematic process of behavioral correction in which inappropriate behaviors are followed by possible consequences. Disciplinary actions are designed to teach students self-discipline and to help them substitute inappropriate behaviors with those that are appropriate. There are a few specific situations that are of such severity that referral to a Disciplinary Tribunal and law enforcement would be automatic. Depending on the severity of the situation, school officials may apply stricter measures up to and including notification of law enforcement. An administrator has the discretion to determine the offense and the appropriateness of the disposition assigned.

Students who repeatedly violate the various rules and regulations may be subject to disciplinary action more severe than the disposition specified for the individual offenses committed, up to and including suspension to a disciplinary tribunal and possible long-term suspension or expulsion. Students under suspension or expulsion are not permitted to attend or participate in athletic/extra-curricular activities (which includes graduation ceremonies) during the period of the suspension or expulsion.

POSSIBLE ACTIONS (DISPOSITIONS) THAT MAY BE IMPOSED FOR ANY VIOLATION OF THE CODE OF CONDUCT

   - The behavior contract is a simple positive-reinforcement intervention that is widely used by teachers to change student behavior. The behavior contract spells out in detail the expectations of student and teacher, and sometimes parents, in carrying out the intervention plan, making it a useful planning document. Also, because the student usually has input into the conditions that are established within the contract for earning rewards, the student is more likely to be motivated to abide by the terms of the behavior contract than if those terms had been imposed by someone else.

4. LOSS OF PRIVILEGES
   - Examples include silent lunch, loss of recess, loss of driving and/or parking on campus, etc.

5. TIME OUT/ISOLATION
   - Student may receive time out in opportunity room, alternative learning environment, modified educational environment, etc.

Corporal punishment must be administered by the principal, assistant principal, or certified designee in the in the presence of a principal or assistant principal, or the principal's designee, who must be informed beforehand and in the presence of the student of the reason for the punishment. The principal, assistant principal or certified teacher who administered corporal punishment must provide the child's parent, upon request, a written explanation of the reasons for the punishment and the name of the principal or assistant principal, or certified teacher, who was present. Such an
explanation shall not be used as evidence in any subsequent civil action brought as a result of the corporal punishment. Corporal punishment shall not be administered to a child whose parents or legal guardian have upon the day of enrollment of the pupil filed with the principal of the school a statement from a medical doctor licensed in Georgia stating that it is detrimental to the child’s mental or emotional stability. Parents may submit within ten (10) days of the child’s enrollment in the school, a letter requesting that corporal punishment not be used with their child.

11. CONFISCATION OF ITEMS THAT ARE PROHIBITED AT SCHOOL
Possession of personal property that is prohibited, such as but not limited to food, beverages, and electronic equipment, is a violation of the Code of Conduct and confiscation of banned items by teachers and/or the administration is permissible.

12. RESTITUTION

13. RESTRICTION FROM SCHOOL ACTIVITIES/SPECIAL EVENTS

Detention may require the student’s attendance before school or after school. Students are given one days’ warning, so the parents or guardians can make arrangements for transportation.

16. IN-SCHOOL SUSPENSION (ISS)
ISS is the removal of students from their regular classes to be isolated in a highly structured environment, with a limited number of students, in a supervised area during the regular school day. Students have the opportunity to continue their regular classroom assignments during ISS. Parents will be notified when their child is assigned to ISS. Students may be denied the right to attend any school function, practice, or participate in any activity during the period of ISS. The alternative to ISS is out of school suspension (OSS) and/or alternative school. Any infractions of ISS guidelines may result in OSS placement.

17. SUSPENSION FOR A PARENT CONFERENCE
As a consequence, for violating school rules/regulations, an administrator, at his/her discretion, may suspend a student from school until a parent conference (face-to-face conference, telephone, text, and/or email) is held as specified by the administrator. NOTE: It is not necessary for students to miss any school time provided a parent/guardian complies with the conference request.

18. SHORT-TERM SUSPENSION

During the period of suspension, the student is excluded from all school-sponsored activities including practices, as well as competitive events, and/or activities sponsored by the school or its employees.
20. PLACEMENT IN AN ALTERNATIVE SCHOOL PROGRAM
In an effort to keep all students in school, the JCSS is providing an alternative placement in lieu of long-term OSS and expulsion. Students assigned to alternative school will be required to remain there for a minimum of one nine-week grading period. During that time, students will not be allowed to have access to the school campus unless under the direct supervision of the alternative school director or school administrator. Misbehavior while in alternative school can result in a recommendation for expulsion or long-term suspension from school. **Students that are returning to school from adjudication will be placed in the alternative school setting as a transitional process back into the regular school program. The parents must schedule a meeting with the school prior to a child returning to school once processed through the court system. A student who has been formally charged with a violation of the criminal law off campus and whose presence on the school campus may endanger the safety of other students and/or cause substantial disruption to school operations will be assigned to an alternative program.

21. SEARCHES
School officials may search a student if there is reasonable suspicion the student is in possession of an item that is illegal or against school rules. Students vehicles brought on campus, student book bags, school lockers, desks and other school property is subject to inspection and search by school authorities at any time without further notice to students or parents. Cell phones/multimedia/electronic devices taken from students due to possession and/or use in violation of school rules is subject to having their contents searched. Students are required to cooperate if asked to open book bags, lockers or any vehicle brought on campus. Metal detectors and drug or weapon sniffing dogs may be utilized at school or at any school function, including activities that occur outside normal school hours or off the school campus at the discretion of administrators.

22. SUSPENSION OR EXPULSION FROM THE SCHOOL BUS

Suspension of a student from a public school beyond the current school quarter or semester. Such action may be taken only by a disciplinary tribunal in accordance with Code Section 20-2-754.

24. REFERRAL TO LAW ENFORCEMENT OR JUVENILE COURT OFFICIALS
Georgia law requires that certain acts of misconduct be referred to the appropriate law enforcement officials. The school will refer any act of misconduct to law enforcement officials as required by law or when school officials determine such referral to be necessary or appropriate.

The maximum punishments for an offense include:
- long-term suspension
- expulsion
- permanent expulsion

Those punishments will be determined by a disciplinary tribunal panel as outlined in Code Section 20-2-754.

Parents or students may elect not to contest whether a student has violated the Code of Conduct or the appropriate discipline, and in such cases, an agreement may be negotiated which would include the parents or students waiving a right to a hearing before a disciplinary tribunal or hearing officer. Such an agreement and waiver must be approved also by the disciplinary tribunal or hearing officer.

Before a student is suspended for ten days or less, the principal or designee will inform the student of the offense for which the student is charged and allow the student to explain his or her behavior. If the student is suspended, the student’s parents will be notified if possible. School officials may involve law enforcement officials when evidence surrounding a situation necessitates their involvement or when there is a legal requirement that an incident be reported.

With regard to State Rule 160-4-8-.15, K-3 students will not be suspended or expelled for more than 5 school days per year without the MTSS (Multi-Tiered System of Supports) process being in place. An exception is made for students bringing weapons or drugs to school or who present a threat to the safety and security of the school.

Jasper County defines chronic disciplinary behavior demonstrated by a student as three or more offenses of a similar nature, requiring administrative action, committed during the same school year.

The law allows a local board of education to petition the juvenile court to require a parent to attend a school conference. If the court finds that the parent or guardian has willfully and unreasonably failed to attend the conference requested by the principal pursuant to the laws cited above, the court may order the parent or guardian to attend such a conference, order the parent or guardian to participate in such programs or such treatment as the court deems appropriate to improve the student’s behavior, or both.
